In the case of either a new or revised constitution, a copy shall be made available to the members of the Executive Committee at least a week in advance of the annual session, ample time and a place on the program be given for its consideration. All proposed changes shall be submitted first to the Constitution Committee for consideration and study.

Bylaws

1. COMMITTEES: Members of all standing committees shall serve a three year term, and a lapse of one year must ensue before election to the same committee. This does not preclude any person from being elected to serve on another committee. Any officer or committee member serving more than half a term in an office is considered to have served a full term. The expiration date of each committee member's term shall appear beside his name in the Associational Directory.

2. The ASSOCIATIONAL YEAR shall begin October 1 and close September 30.

3. PARLIAMENTARY RULES: *Robert's Rules of Order, Newly Revised,* shall be followed as the Association's rules for conducting its deliberative assemblies.

4. EX OFFICIO MEMBERS: The Moderator is an ex officio member of all committees except the Nominating Committee. The Director of Missions is an ex officio member of all organizations and committees.

"In the Executive Board of a society, if the ex officio member of the board is under the authority of the society (that is, if he is a member, officer, or employee of the society) there is no distinction between him and the other board members. If the ex officio member is not under the authority of the society, he has all of the privileges of board membership, including the right to make motions and to vote, but none of the obligations." *Robert's Rules of Order, Newly revised,* p. 402.

5. REPORTS: Written report to appear in the annual minutes shall not exeed three hundred (300 words except for History and Statistics.)

6. MEETINGS: Between annual meetings of the Association, it is recommended that Monday evenings be used as far as possible for necessary associational activities.

7. AMENDMENTS: Amendments to the Bylaws may be made at any session of the Annual Meeting of the Association when presented in writing at said meeting and approved by a majority of messengers present and voting.

Brotherhood

1991

On November 29, 1990, the association had a Brotherhood Training Workshop at the associational center. These group sessions were held for Brotherhood, Baptist Men, and RA workers. Attendance was really good.

The associational pine derby and field day mission fair was held on March 23, 1991, at Cherry Point Baptist Church.

The setting of Cherry Point Baptist Church provides excellent opportunities for these young boys to race their pine derbies and to compete in field day activities. The mission projects continue to improve every year. Special thanks to Rev. Mike Huffman for coordinating this event.

Another outstanding day of work was conducted at Calvary Baptist Church when a large number of Baptist men across the association came and helped take off and put on a new roof on Calvary's fellowship hall. The project was completed early in the afternoon and approximately sixty squares of shingles were laid.

Finally, let me encourage every church to be involved in mission opportunities. There are more opportunities around us than we can ever imagine.

Respectfully submitted,
Mr. David Butler

Building and Grounds Committee
1991

During 1990-91, the associational center was cleaned by Flanagan's Clean Care of Havelock. The grounds were kept by William Miranda and Sons. The carpets in the interior building were cleaned during the summer of 1991.

Respectfully submitted,
Dr. Don Hadley

Christian Life
1991

There were two significant events scheduled during this associational year. Due to the Persian War Crisis, a series of associational prayer meetings were held during February and March of 1991. We would like to thank the following host churches: Tabernacle, First Baptist of Havelock, Parkview, First Baptist of New Bern, and McCotter Boulevard. The meetings were well attended.

A seminar of cults was conducted at First Baptist Church in Havelock on March 21, 1991. Although a small number participated, it was a helpful seminar to those who attended.

Respectfully submitted,
Dr. Thomas Denton

Constitution Committee
1991

There are no changes suggested in the constitution of Atlantic Baptist Association for the year 1990-91.

Respectfully submitted,
Rev. Manly Murphy

Directors
1991

The directors have held the property of Atlantic Baptist Association located at 602 Miller Boulevard, Havelock, N.C. in trust with the association during the past year. We have seen to it that any necessary repairs have been made, the yard kept, and the equipment adequately maintained.

Respectfully submitted,
Mr. Ken Gillespie

Director of Missions
1991

The year 1990-91 was the year of tremendous global events that affected Atlantic Baptist Association. The association attempted to meet the challenges presented to us while proclaiming the good news of Jesus Christ.

The year 1990-91 was the year the Gulf War broke out. Our association responded with numerous ministries including emergency assistance, Mother's Day Out, crisis intervention, and so forth.

The year 1990-91 was the year the associational workroom was remodeled to a media center. Its completion marked a new era in the association providing resources in equipping centers and videos.

The year 1990-91 was the year we had an overflowing group of Acteens at the associational center. It was tremendous to see the large number of Acteens coming to learn about missions.

The year 1990-91 was the year the Atlantic Baptist Association presented a Christmas gift to all its churches in the form of a toll free number to better serve all Baptists.

The year 1990-91 was the year our Youth Camp at Chowan continued to set new heights in attendance. Over 130 youth and chaperones were present for this annual event.

The year 1990-91 was the year the WMU helped individuals in need that could not help themselves. They were involved in making duffel bags for foster children, assisting ladies at the Coastal Women's Shelter, and helping the Crisis Pregnancy Centers in Carteret and Craven Counties.

The year 1990-91 was the year the association hosted Dr. James Smith, retiring President of the Brotherhood Commission, during our Mission Rally.

The year 1990-91 was the year of our first association wide Acteen Retreat. Mrs. Julie Riley of Cherry Point Baptist Church did an outstanding job of coordinating this fellowship and learning experience for today's young ladies.

The year 1990-91 was the year the association explored the possibility of establishing a Baptist Retirement Home in our area. A lot of hard work went into processing an application for a $500,000 grant, but ultimately we were not able to secure the long term financing needed for a project. It's better to have tried and not succeeded than never to have tried at all.

The year 1990-91 was the year the association helped sponsor Jonathan Allard of First Baptist Church of Morehead to conduct basketball and witnessing clinics in the Philippines.

The year 1990-91 was the year the association was selected to be part of Great Commission Breakthrough, a pilot project of the Sunday School Board of the Southern Baptist Convention. Only two associations across the Southern Baptist Convention were selected for this project.

The year 1990-91 was the year God continued to bless our Japanese and Resort Ministries under the leader of Mrs. Sumiko Sidelinger and Dr. Curt Finch, respectively.

The year 1990-91 was the year the Lord continued to use Atlantic Baptist Association as it tried to be on missions locally in Carteret, Craven, Pamlico, Jones, and Beaufort Counties.

Respectfully submitted,
Rev. Keith Hamilton

Discipleship Training
1991

Discipleship Training continues to be of vital importance for associational churches as they attempt to disciple believers in the faith of our Lord. The association continues to provide individual leadership training through the Discipleship Training team of Atlantic Baptist Association.

The Baptist State Convention of N.C. provided a special workshop on January 22 at Cherry Point Baptist Church. Three subject areas were dealt with. First, Eddie Hamlin taught the deacon ministry workshop. Wendy Edwards taught the youth ministry workshop and Discipleship Training Director from the Baptist State Convention of N.C., Maurice Cooper, taught the equipping center, "Ingathering."

During the year all new equipping centers were purchased for associational center. This ministry continues to be a strong emphasis of our association.

I would like to encourage people to mark their calendars to attend a special "M" Night and training night on November 25 at Tabernacle Baptist Church in New Bern. Dr. Bruce Anthony will be our guest speaker. Also, the Baptist State Convention of N.C will be conducting their annual Doctrine Study Leadership Training at First Baptist Church of New Bern on February 26, 1992.

If I can assist you in any way to disciple your believers, please call me.

Respectfully submitted,
Rev. David Adams

Executive Committee
1991

JANUARY 14, 1991: Rev. David Adams, presiding.

The committee approved cooperative agreements with the Baptist State Convention of N.C. in the largest number of areas ever presented. Baptist Men's Day was observed on January 27. There were plans for a music workshop at First Baptist of Beaufort on February 18-19. The next Senior Adult Rally will be April 9 at Parkview Baptist Church. The first associational wide senior adult retreat at Fort Caswell will be hosted by Newport Baptist Church. A Sunday School conference will be held at Colony Baptist Church on March 11. Discipleship Training workshop will be held January 22 at Cherry Point Baptist Church. "Confronting the Cults and Occults" will be the topic of a special Christian Life Conference of N.C. met with the secretaries during their quarterly secretaries conference on January 10. An audit of the association was completed and commended for the good record keeping procedures. A progress report was given on Mother's Day Out for wives of deployed servicemen. The association was informed about tentative military plans if the crisis in the Gulf became a war. The executive committee met in special session to pray for the Middle East situation.

MARCH 25, 1991: Dr. Jack Hinton, presiding

On March 16, a Mother-Daughter GA Brunch was held at Newport Baptist with 134 people present. Ninety people were present for the Sunday School workshop held at Colony Baptist Church. Listening sessions with key church workers were held with

Mrs. Jerri Herring of the Sunday School Board of the Southern Baptist Convention as part of a pilot project in Sunday School growth. Two Vacation Bible School clinics will be held at two different locations in the association. Dr. Herschel Hobbs will conduct our association-wide doctrine study in 1933. The associational youth rally was held on March 22 with a BSU team from Georgia College leading. New equipping centers were purchased. Plans are now being made for a 1992 Japanese Crusade with a Southern Baptist evangelist from Japan. Application was made for a 500,000 grant from the N.C Housing Finance Agency to explore the possibiltiy of building a Baptist Retirement Home in our association.

JUNE 17, 1991: Rev. Terry McInnis, presiding

The WMU was thanked for the excellent Minister Appreciation Dinner at the Galley Stack Restaurant on May 3. A new card catalog cabinet for the media library center has been purchased. On July 11, during the regular quarterly secretaries conference, there will be the election and installation of new officers. Plans are being made for the teaching of "Wise Counsel" to associational secretaries. First Baptist Church of New Bern gave scholarships for our Japanese ladies to attend the N.C. Japanese Baptist Women's Retreat. It was noted associational churches were involved in encouraging their political leaders to vote against a public referendum for a lottery.

SEPTEMBER 30, 1991: Rev. David Adams, presiding.

Rev. Adams encouraged all churches to be involved in "M" Night on November 25, 1991, at Tabernacle Baptist Church. Rev. John Thompson announced a singing workshop at Woodville Baptist Church on November 18, 1991. Mrs. Gail Edge shared with the body the TACMO Directories were complete and every church should have one. Also, she shared how the Secretaries Conference has become an important time of training and fellowship. Mrs. Mary Lou Harrell reported on the October 4-5, 1991, WMU workshop with Miss Marsha Spradlin at Hampton Inn in Morehead City. Rev. Keith Hamilton announced there are twenty churches signed up to participate in the Great Commission Breakthrough pilot project. Our association was selected as one of two associations in the Southern Baptist Convention to be part of a pilot project for Great Commission Breakthrough.

Japanese Ministries
1991

1990-1991 was an exciting year for Japanese Ministry. The Japanese ladies sang and gave their testimonies at First Baptist Church of New Bern in February. In April, these ladies were invited to North Roanoke Association. This provided a great opportunity for them to do ministry outside of our own association. A Japanese Retreat was held at Caraway in June. Rev. Yokoi from Portland, Oregon, was the speaker. Special thanks to First Baptist Church of New Bern for providing scholarships for this retreat.

Southern Baptist Japanese speaking churches are being organized all over the United States. In July, Mrs. Sidelinger attended the Japanese Southern Baptist Conference in San Francisco, CA. She was elected vice president of the WMU.

Plans are being made for a Japanese Crusade in 1992. Please pray for our crusade.

Respectfully submitted,
Mrs. Sumiko Sidelinger

Military Ministries During the Gulf War
of
ATLANTIC BAPTIST ASSOCIATION

A. Time Out For Mothers - A ministry involving free daycare twice a month to individuals whose spouses were serving overseas. Over three hundred children were enrolled. A number of people are attending church now because of this ministry. Over one hundred volunteers from churches made this ministry possible.

B. Over $2,100 was raised to purchase New Testaments for our military personnel serving in the Gulf region.

C. Emergency Benevolence Ministry for the military was started. This ministry met the emergency needs of spouses left behind. Cases of child abuse and financial distress were ministered to during this crisis.

D. Associational wide twenty-four hour prayer vigil was held for the quick resolve of the Gulf War and that God may be glorified through this tragic event.

E. Special Monday night prayer meetings were held in associational churches calling people to prayer.

F. Special thanksgiving services were held in conjunction with the prayer services after the conclusion of the war.

G. Japanese ministries helped meet a number of growing needs of Japanese ladies whose husbands were deployed. Mrs. Sumiko Sidelinger helped meet these ladies' needs as they were alone in a foreign land.

H. The Association encouraged churches to have support groups for military spouses left behind. A number of people were saved because of these ministries.

I. The Association hosted a Mass Casualty Workshop by the United States Marine Corp Chaplain's Office to inform area ministers of the events surrounding a war and what a military family goes through.

J. A Grief Counseling Workshop was held at First Baptist Church of Havelock to equip ministers and lay leaders in the skills associated with counseling the bereaved.

K. Funds were provided through the Association for First Baptist Church of Havelock's youth to tie yellow ribbons around the light poles in Havelock. They tied each ribbon with a prayer. They were the first to put up ribbons on light poles in the area.

L. The Association provided a resource channel for getting information concerning military ministry to concerned individuals.

M. Special contributions were given to the Association to provide every Southern Baptist military personnel from our churches serving in the gulf a copy of the book, "*A Guidebook for Baptists Away From Home.*"

Mission Development
1991

The Associational year of 1990-91 was quite a busy year for the Atlantic Baptist Association Mission Development Committee with several accomplishments along side some ambitions that are not yet realized.

We did, as years before, asked and received assistance from the Baptist State Convention for several of our churches who needed some financial assistance.

Our Japanese Ministry, under the capable leadership of Mrs. Sumiko Sidelinger, has completed her seventh year in our association and we are always delighted in the testimony of how God is working in our lives. We sincerely hope that in the coming year or two we may be able to add another language ministry among Spanish speaking folks. You will be hearing more about that possibility in the next few months.

Our Resort Ministries, under the leadership of Dr. Curt Finch, continues to excite all of us. This past summer was filled with church teams from around our nation to come and lead in worship services and share Christ with the many vacationers who come into our area along with those who are residents of the beach areas.

The varied ministries coming out from the Missions Development Committee's work include Senior Adult Rallies which grow in number each year and special mission seminars at various churches as well as the associational center.

We are still involved in formulating the plans for an additional staff person in our association to work in the area of church and community or in church development. We will share more information with you as the year progesses.

We were not able to put all the plans and expectations together for the Atlantic Baptist Rtirement Home. That was a disappointment, but we will still pray about plans and hope that it can become a reality some day.

We thank all of you for your support and thank God the way He has continued to bless our association as we strive to serve Him. We are quite pleased at the progress that has been directed by our Director of Missions.

Dr. Jack Hinton

Music
1991

"SENIOR ADULTS" are very important in the music program of every church. You are never too old to share your musical talents with and for the Lord. More and more music is being written for the "seniors" in our churches. They can come to a practice on most any morning in the week...they can stay late...they can cook good for "get-togethers"...they are very dependable. Try to start a "SENIOR ADULT" choir this coming year.

The CHILDREN'S MUSIC DAY CAMP was a great success this past summer. We also had a good response to the annual choir workshop. This coming year we will be having several workshops all around the association. Please try to have your choir involved.

REMEMBER, if you need my help...give me a call in New Bern, (919) 637-4166. I'm willing to help you.

Musically Yours,
Rev. John Thompson

Ordination
1991

The Ordinations Committee of the Atlantic Baptist Association met on February 11, 1991, at 1:30 P.M. for the purpose of interviewing two candidates for the gospel ministry. Rev. Steve Simpson, pastor of the River Bend Baptist Church, opened the meeting with prayer. Mr. Jeff Maynard, a student at Southeastern Baptist Theological Seminary and Minister of Music at the Cary Baptist Church in Henderson, N.C., was introduced to the committee. Mr. Maynard shared his conversion experience and call to the ministry with the committee. He had previously served as Band Director at West Craven High School. He completes his studies at Southeastern Seminary in the Spring of 1991 and hopes to enter full time ministry in the area of Christian Education and Music. The Ordinations Committee recommended his ordination by the River Bend Baptist Church of New Bern, N.C.

The committee then met with Mr. James Chadwick, a member of Reece's Chapel Baptist Church. For the past several months, Mr. Chadwick has been serving as pastor of the Island Road Baptist Chapel. Mr. Chadwick shared his call to the ministry and was affirmed by the Ordinations Committee. Mr. Chadwick is a bi-vocational minister and the committee encouraged him to look to the Atlantic Association for support, prayers, and other forms of encouragement. The committee unanimously recommended Mr. Chadwick for ordination by Reece's Chapel Baptist Church.

On June 24, 1991, the committee met with Brother Jeff Harris in regard to a request by the Cherry Point Baptist Church. Mr. Harris has been serving as the interim pastor of the Piney Grove Baptist Church who has called him as pastor. The committee wholeheartedly recommended him for ordination to the gospel ministry.

Resort Ministry
1991

This has been a challenging and rewarding year for resort ministry. In the spring we welcomed a visiting mission team from the Georgia college BSU. They performed many services for two of our churches. During the summer we welcomed seven mission teams from Southern Baptist churches: Mount Tabor of Anderson, South Carolina; Crabtree Avenue of Owensboro, Kentucky; First Church of Thomasville, Georgia; First Church of Mount Airy, North Carolina; Flemings Chapel of Lenoir, North Carolina; Old Towne of Winston Salem, North Carolina; and Calvary of Raleigh, North Carolina.

Each visiting team conducted Backyard Bible Clubs in area campgrounds. They also presented programs in the evenings at several of the places where people congregate in large numbers: the Beaufort Waterfront, the Morehead City Waterfront, the Holiday Travel Park, and the Atlantic Station Shopping Center. The groups also handed out invitation cards to the people they met with introductions to attend worship at our local churches.

As Director of Resort Ministry, I express my gratitude to the talented and self-giving young people and adult advisors who willingly shared their ministry gifts in

our coastal communities. I also thank the owners of Holiday Travel Park and Salter Path Family Campground for letting us use their facilities. Several of the churches of our association participated in the ministry this year, and I express my appreciation to them for helping to make this a vibrant ministry.

This was a challenging summer because most of the visiting teams were new to resort ministry and because the weather was not very cooperative. In spite of these special challenges, many people heard the Good News shared and several responded with professions of faith. I had the opportunity to visit many of the evening programs and to observe the Bible Clubs at work. It was a year of many rich blessings both for those who led the ministry and those who were the receivers of the mission outreach.

Seminary Extension
1991

There are more than seventy courses available through the Seminary Extension Department of the Southern Baptist Convention. Courses are offered either through correspondence, Atlantic Baptist Associational Center or the local church. It is available not only for pastors and staff members, but all persons interested in equipping themselves more fully as Christian leaders.

Rev. Henry Gray of Fort Barnwell Baptist Church taught the Seminary Extension course, Church Growth, to his key leaders in the summer of 1991. If other churches are interested in teaching Seminary Extension and receiving college credit for these courses, please let me know.

Rev. Randy Hawkins

Stewardship
1991

We did not attend the annual "Key Leadership" conference at Asheville this year. Instead, we had a most constructive meeting of our own at the associational center. We are tentatively planning a retreat for Christian Money Management in February of 1992. This program will help couples be better stewards of the resources God has given us.

The Stewardship Division is planning associational bold Missions Stewardship Conferences for pastors, church staff, and one or two lay persons from each church in 1992. A new packet of materials for developing a strong stewardship program in your church will be given to all participants. This meeting will be in early 1992.

Sunday School
1991

Atlantic Baptist Association was selected during 1991 to be one of two associations to be involved in Great Commission Breakthrough, a pilot project with the Sunday School Board of the Southern Baptist Convention. Great Commission Breakthrough has been attempted in four to five hundred churches across the Southern Baptist Convention. The next level of the pilot project is to see if it can be accomplished in an associational setting. The purpose is threefold: 1) To have a ten percent increase in enrollment in associational churches during the two year pilot project, 2) To strengthen leadership training, and 3) To deepen the spiritual life of associational members.

The project will involve the first twenty five churches that vote in business conference to be in Great Commission Breakthrough. It will involve a year of praying for spiritual awakening. After the year has been completed, the church will be assigned a consultant that will work with them in reorganizing and revitalizing their Sunday School. The consultant will also follow up three to four times in the following year to make sure the recommendations are adequately implemented. We are indeed fortunate to be part of this major emphasis in the Southern Baptist Convention.

A tremendous goal was met for the media services in our associational center this year. The new Resource Center was completed. In the renovation for this area, shelves and cabinets were installed to facilitate the many resources of media being made available for use by the churches of the association. Our appreciation to Mr. Franklin Atkinson and Mr. Fred Hughes, Sr. of Temple Baptist Church, New Bern, for their expertise in carpentry resulting in this goal becoming a reality.

Our TACMO training sessions have also resulted in meeting some goals toward enhancing skills in library service and ministry to members of our respective churches. In February, Mr. Bob Goode, Preschool Associate of the State Sunday School Department, instructed us in the selection and purging of books. He also gave us a preview of the new Sunday School literature being introduced in the coming months. The host church was First Baptist, Morehead.

Our May meeting, led by Gail Edge, was an intruction in the processing of videocassettes and using a tract ministry. Temple Baptist was the host church.

A tour of Cherry Point Baptist Church media center was the highlight of our August meeting. Mrs. Barbara Wilder, the director, shared some of her new ideas in the promotion of the library at Cherry Point. The meeting aslo consisted of calendar planning for 1992 and the election of officers

Our November meeting will be in conjunction with the Roanoke Association to be held in Greenville. The course in classification and cataloging will be offered. Each church is encouraged to have their media staff attend this important instructional meeting.

Equipping our members to be disciples of Christ is the goal of every TACMO group. We continue to strive for this as we teach, work and study together within the library ministry.

Gail Edge

Vacation Bible School

1991

Vacation Bible School has to be one of the most exciting weeks in the life of a church. Newborns through senior adults are hearing about Jesus and sharing what they hear with family and friends. Now that's outreach!

To date, our reports are encouraging but we still need to hear from the rest of you. Now is not too late to turn in your report and start planning for next year.

Woman's Missionary Union
1991

"Empowered" was the WMU Emphasis 1990-91. The associational WMU Council began preparation for the new year by attending the State Leadership Workshop at Caswell Baptist Assembly. Our Leadership Conference was held at the associational office in Havelock. The sessions were well attended with the Acteen Conference being conducted by telephone.

The Annual Associational WMU meeting was held at First Baptist Church of New Bern. Our guest speakers were Eddy and Kathy Williams, missionaries to Mexico. Prior to our Annual Meeting, the WMU hosted dinner at the Beaufort House where Kathy Williams spoke and a moonlight cruise on the Continental Shelf.

We again participated in Woman's Correctional Center Christmas Project. We sent bags of lip balm. The WMU council, as well as the inmates, appreciate the response of Atlantic Association churches.

On the last weekend in January, we held our fourth Annual Beach Retreat at the Holday Inn, Atlantic Beach. This mission retreat has grown over the years with about one hundred forty ladies attending.

In March, our G.A.'s traveled to First Baptist Church of Newport to attend a Missions' Brunch. They had the opportunity to meet "Miss Annie Armstrong", work with crafts, and enjoy a really great brunch. It was well attended.

In May we held our seventh annual Appreciation Day for pastors, staff, and their wives. This year we asked each WMU organization to contribute toward this project. It was held at Galley Stack Restaurant and was well attended. Our WMU's responded and we appreciate their help in making this a very nice event.

In May our Acteens went to Caswell Baptist Assembly for a missions retreat. The girls had opportunity here to listen to missionaries.

This has been a great year and we look forward to a new year with a full staff of officers.

Respectfully submitted,
Mrs. Mary Lou Harrell

Youth Ministry
1991

The highlight of the associational youth ministry continues to be the associational youth camp at Chowan College. The camp was a tremendous success this year with camp pastor, Rev. Michael Capps. Over one hundred thirty youth and adults attended the associational youth camp the week of July 15. Plans are already being made for next summer's youth camp at Wingate college the last week of July.

In addition to the youth camp, the association helps provide and encourage local youth rallies including one at the associational center on March 22 at the associational center. An overflowing group of youth attended this celebration service and a pizza party afterwards.

If your church is going to have any youth events and they would like to include the other youth in the association, please let me know.

Respectfully submitted,
Rev. Buford Lewis

Henry Augustus Privette
1915 - 1992
In Affectionate Memory

We honor our Lord when we honor Rev. Henry Privette, since Henry's life cannot in the least be understood apart from reference to Christ. Henry understood himself to be a Christian, a Christian husband and father, a Christian minister, a preacher of the gospel, a "personal worker" for Christ, a missionary, and -- as clearly indicated by the Bible verse he selected for his foot stone -- a fellow sufferer with Christ (Philippians 3:10-11). Christ entered into every important part of Henry's life. Christ was his life.

Henry pulled together in his personality a rare blend of seriousness and joviality. He spent his life fighting the devil and fought the good fight with every ounce of his energy. Yet Henry had a quick wit, a ready smile, and was a delightful conversationalist -- someone whose company I thoroughly enjoyed.

Henry also brought together in his personality a salty mixture of the earthy and the spiritual. A man of deep piety and prayer (continuing to pray the most heartfelt and beautiful prayers through his final days among us), Henry could be plain spoken in a way that was not always appreciated, but which, ironically, led people to trust him. With Henry, "What you saw was what you got!"

Henry was simultaneously one of the most patient and impatient men I have ever known. No doubt, Henry took more "hits" than Mohammed Ali, but he could be a model of patience with his critics. Year after year, moreover, he sat in a dark, cramped, mildewed, and totally inadequate associational center without complaint. "When the good people of the Atlantic Association finally get tired of doing the Lord's work out of this building, they will build another one. Until then, there is nothing I can do about it," he would say. His patience was vindicated when on, November 23, 1980, the good people of Atlantic Association built our new and beautiful associational center. Henry could, in turn, exemplify the patience of Job and the impatience of Jonah.

Henry Augustus Privette -- who for 22 years served among us as our Director of Missions -- was a complex, wonderful, Christian gentleman and minister of the gospel, whose memory we truly honor when, with Henry-like energy, we serve and honor Christ -- the single, simple, and greatest explanation for everything good and impressive in Henry's exemplary and productive life.

Respectfully written by Don Hadley

BROTHERHOOD
Report to the Association
1992

On March 23, 1992, the association had a Brotherhood Training Workshop at the associational center. Training sessions were conducted for Brotherhood, Baptist Men, Crusader, and Lad workers. It was very practical.

The associational RA Mission Fair and Pine Derby was held again this year at Cherry Point Baptist Church on March 21, 1992. Special appreciation is given to Cherry Point Baptist Church and Rev. Mike Huffman for coordinating and hosting this event.

The associational Brotherhood also helped sponsor a team from Atlantic Baptist Association in conjunction with NC Baptist Men to help construct a Polish Baptist Seminary in Radosc, Poland. Baptist Men going on this trip were Keith Hamilton, Raymond Earp, Max Miller, and Mike Huffman. It was an excellent opportunity to share one's faith during the construction project.

Baptist Men from our association made the local news in assisting the relief efforts associated with Hurricane Andrew in south Florida. Almost two tractor trailer loads of items were stocked and delivered by the associational Baptist Men.

Finally, let me encourage every church to have a Brotherhood organization. The RA's are the Baptist Men of the future today.

Respectfully Submitted,
Mr. David Butler

CHRISTIAN LIFE

Report to the Association

1992

There was one event held this year. On March 9, 1992, we had Mrs. Vicky Watson from the Medical College of Virginia come and share about ministry to families affected by AIDS. All were better informed and educated after attending this session. This conference is available on video if anyone would be interested in viewing it. Please contact Steve Simpson at 633-6544 or you may call the Atlantic Baptist Associational Office.

Respectfully Submitted,
Rev. Steve Simpson

CONSTITUTION COMMITTEE

DIRECTOR OF MISSIONS

Report to the Association

1992

The year 1991-92 was the year of renewal for Atlantic Baptist Association. For the first time in our history, we had prayer meetings for spiritual awakening that were led by Rev. Harry Hunter of Kentucky. Seven regional prayer meetings for spiritual awakening were held throughout Atlantic Baptist Association.

The year 1991-92 was the year twenty four churches taught Prayer Life. It has had an impact upon ministries.

The year 1991-92 was the year Atlantic Baptist Association sent eight of its members to do construction work in the Polish Baptist Theological Seminary in Radosc, Poland.

The year 1991-92 was the year the associational youth camp at Wingate College continued to set new heights in attendance. One hundred thirty four youth and chaperones were present for this annual event.

The year 1991-92 was the year of our second associational Acteen Retreat. Mrs. Julie Riley of Cherry Point Baptist Church continues to do an outstanding job of coordinating this fellowship and learning experience.

The year 1991-92 was the time the association was challenged at its Annual Meeting by Dr. Andy Anderson and Rev. Gary Bishop to be a part of Great Commission Breakthrough.

The year 1991-92 was the year the Baptist Women's Retreat at Atlantic Beach continued to grow in numbers and strength as ladies are challenged to be on mission for our Lord.

The year 1991-92 was the year that Atlantic Baptist Association began the Sunday School pilot project, Great Commission Breakthrough. Atlantic Baptist Association was only one of two associations in the Southern Baptist Convention to be selected for this Sunday School growth project.

The year 1991-92 was the year the association responded again to aiding victims of natural disasters. Two tractor trailer loads of items were delivered to the victims of Hurricane Andrew. Over $16,000 in cash was collected.

The year 1991-92 was the year Atlantic Baptist Association was featured in the State Missions emphasis.

The year 1991-92 was the year God continued to bless our Japanese and Resort Ministries under the leadership of Mrs. Sumiko Sidelinger and Dr. Curt Finch, respectively.

The year 1991-92 was the year the Lord continued to use Atlantic Baptist Association as it was on mission locally in Carteret, Craven, Jones, Pamlico, and Beaufort counties.

Rev. Keith Hamilton

DIRECTORS

Report to the Association
1992

The Directors have held the property of Atlantic Baptist Association, Inc. located at 602 Miller Blvd., Havelock, NC, in trust with the association during the past year. We have seen to it that any necessary repairs have been made, the yard kept, and the equipment adequately maintained.

DISCIPLESHIP TRAINING

Report to the Association
1992

If Baptists are not trained, then we will not be prepared to meet the future. Training has always been a hallmark for Southern Baptists. The association continues to provide individual leadership training through the Discipleship Training team of Atlantic Baptist Association. The associational Discipleship "M" Night was held at Tabernacle Baptist Church on November 25 at 7:00 PM. Dr. Bruce Anthony of Greensboro was our guest speaker. The attendance was extremely low.

Wise Counsel was taught to local church secretaries in a special training conference held at the associational center on January 9. Rev. Eddie Hammett of the Baptist State Convention conducted this workshop. The response was tremendous!

There is a lot of excitement about Dr. Herschel Hobbs coming to Atlantic Baptist Association, January 24-27, 1993.

If I can assist you in any way to disciple believers, please call me.

Respectfully Submitted,
Mr. Bob VanderSys

EXECUTIVE COMMITTEE

Report to the Association

1992

January 6, 1992: Dr. Thomas Denton, presiding.

The WMU reported on its Annual Meeting in October at the Hampton Inn in Morehead City in conjunction with the Brotherhood. Twenty four churches are participating in teaching Prayer Life as part of Great Commission Breakthrough. The youth reported a YMCA event held during the last quarter. Approximately one hundred to one hundred fifty youth attended. The Missions Development Committee presented the motion: That the Atlantic Baptist Association establish a ministry at Emerald Isle for a one year period; That the primary focus of the church be to provide worship services and pastoral ministry to the visitors and residents of the area; That the ministry be called Emerald Isle Baptist Church; And that the ministry be cooperatively sponsored by the Atlantic Baptist Association, Baptist State Convention of North Carolina, and Cape Carteret Baptist Church. The motion carried unanimously. The Mission Development Committee also made motions concerning cooperative agreements to be approved by the Executive Committee with the Baptist State Convention of North Carolina. The motion passed unanimously. Dr. Curt Finch gave a report on Resort Ministries with spot teams coming into the association in March to lead in worship and missions. Mrs. Sumiko Sidelinger, Director of Japanese Ministries, reported on an upcoming Japanese Crusade in June. The Director of Missions reported on funding for Spanish Bibles to help Hope Mission in Morehead City.

March 30, 1992: Dr. Thomas Denton, presiding.

Mrs. Mary Lou Harrell shared with the committee the results of the largest ever Baptist Women's Retreat at Atlantic Beach in January. Also, reports were held concerning a training workshop in February. Mr. Tony Glass reported of the associational youth rally at Temple Baptist Church with students from the University of Akron, Ohio, providing the program. There were one hundred thirty three people present with five professions of faith and twenty rededications. A motion was made and approved to use $1200 from the State Missions Offering to support Rev. Yasushi Tomono. He is the Japanese pastor working in the association in conjunction with Mrs. Sumiko Sidelinger. Also, the chairman of the committee informed the Executive Committee about the possibility of a counseling center in our association. A fact finding subcommittee was formed. Dr. Curt Finch informed the Executive Committee that Emerald Isle Baptist Church began services on April 12. Rev. John Thompson reported there had been three music workshops in the association: downeast, New Bern, and Havelock. The Senior Adult Rally was held at Tabernacle Baptist Church on April 14 with Union University students and Dr. Catherine Walker conducting the program. The following motion is a policy statement and resolution adopted unanimously by the body:

MEMBERSHIP POLICY STATEMENT

Inasmuch as any church that officially endorses homosexual practice is in conflict with "the objects of this association" (Atlantic Baptist Association Constitution, Article III, Section 4), such churches may not hold membership in the Atlantic Baptist Association.

In the same way that churches receive and minister to anyone who acknowledges their sin, we gladly offer ministry to all confessing sinners -- excluding no one -- but refuse to endorse their sins.

Churches that, by vote of the congregation, therefore, endorse a behavior such as homosexual practice that the scriptures clearly define as sin will be denied membership in this association effective the date of such action.

Any church dropped from membership in the association for this reason may apply for restoration of membership if it votes to rescind its earlier action (as we pray they will) and acknowledges that homosexual practice is sin.

RESOLUTION ON HOMOSEXUAL PRACTICE FROM MEMBERS OF THE EXECUTIVE COMMITTEE OF THE ATLANTIC BAPTIST ASSOCIATION

Inasmuch as the Bible uniformly characterizes homosexual relations as sin and forbids its practice in the strongest language possible (cf., Lev. 18:22; 20:13; Ro. 1:27; 1 Cor. 6:9; 1 Tim. 1:10; Jude 7; also, Judges 19:22; 1 Kings 14:24; 15:12; 22:46; 2 Kings 23:7),

And inasmuch as the Bible also forbids accepting the offerings of those who engage in homosexual practice (cf., Deut. 23: 17-18),

And inasmuch as Baptists profess to accept the Bible as our final authority in all matters of faith and practice,

Be it hereby resolved by the members of the executive committee of the Atlantic Baptist Association that fellowship will be withdrawn from and contributions returned to any church within the Atlantic Baptist Association that in any way officially endorses homosexual practice.

Such action to withdraw fellowship and decline funds will become effective on the date any church officially endorses homosexual practice.

Be it also resolved that the members of the executive committee of the Atlantic Baptist Association urge the Baptist State Convention of North Carolina and the Southern Baptist Convention to give prayerful consideration to returning the contributions of and refusing to register messengers from any church that in any way officially endorses homosexual practice.

Be it further resolved that we the members of the executive committee commit ourselves to pray for all churches that have embraced homosexuality as an alternate or acceptable lifestyle and that our prayer be for God to lead those churches to return to Biblical roots and then be restored to full fellowship and ministry.

Be it further resolved that the members of the executive committee of the Atlantic Baptist Association urge the Constitutional Committee to consider the attached constitutional change to be presented at the Mid Year Meeting of our Association and voted on during the second day of the Annual Meeting.

Be it finally resolved that the members of the executive committee of the Atlantic Baptist Association have adopted this resolution with no animosity toward anyone nor with any intent to encroach on the autonomy of any local Baptist church, but in affirmation of what we as Baptists profess to believe, namely, that Scripture as interpreted by the life of Jesus Christ is our supreme authority in all matters of faith and morals. Jesus raised all biblical standards of morality found in the Old Testament; he did not lower them.

To permit an erosion of scriptural authority within our fellowship of churches, we believe, would quickly lead to unacceptable levels of confusion as to what we believe and what is or is not morally acceptable conduct; would lead to a further assimilation of our churches into the mainstream of a secular culture that does not follow the high standards of Christ and biblical teaching; and might even lead to a perception that what the Bible clearly calls sin can cease to be sinful and, indeed, be changed into something worthy of the church's blessing. For those who, like Baptists, accept scriptural authority, what the Bible calls sin is unalterably sinful. This we affirm in love.

June 22, 1992: Dr. Thomas Denton, presiding.

Mrs. Sumiko Sidelinger reported of the Japanese Crusade at Newport Baptist Church and First Baptist Church, Havelock.

Approximately seventy people attended this crusade with five professions of faith. The WMU reported of a Pastor Appreciation Dinner held at the Galley Stack Restaurant on May 8. Dr. Curt Finch told of nine resort teams participating in the summer ministries. Emerald Isle Baptist Church is averaging approximately forty people representing fifteen families. Over 8,000 fliers have been given out in the community informing people of the church. Rev. Robert Ellis reported that one hundred thirty six people are planning to attend the summer youth camp at Wingate. Special prayer was held for the team going to help build the Polish Baptist Theological Seminary in Warsaw, Poland. Our Director of Missions trip was funded through associational churches support. TACMO report was given by Mrs. Gail Edge. Workshops were held at Temple Baptist Church and First Baptist Church of Davis. A lot of new videos have been purchased for the media library center.

September 28, 1992: Rev. Terry McInnis, presiding.

Dr. Curt Finch, Director of Resort Ministry, told about the decisions and rededications made through resort ministry this past summer. Dr. Finch also shared with the committee of the progress made by Emerald Isle Baptist Church. It has averaged seventy five in attendance. Six hundred twenty different people have signed registration forms. Eight thousand dollars was received in offerings. There was one baptism and four rededications. The church voted on September 27 to be called a mission church and extend their ministries. Mrs. Sumiko Sidelinger, Director of Japanese Ministries, shared about nine professions of faith made during the Tuesday morning Bible study on September 22. Mrs.Mary Lou Harrel, WMU Director, shared about the salad supper being hosted at First Baptist Church of Davis on October 8. Information was shared from the Associational Council concerning plans for upcoming strategy planning. Rev. Keith Hamilton, Director of Missions, shared with the group about the Hurricane Andrew relief efforts. Almost two tractor trailer loads of items were delivered to hurricane victims. Emphasis was shared concerning special Annual Meetings held this year. Dr. Gary Young, First Southern Baptist Church, Phoenix, Arizona, and Rev. Blair Little, Spring Gardens Baptist Church, will be the speakers. Rev. Hamilton informed the Executive Committee about the arrangement between ACTS and VISN sharing a single channel effective October 1. According to Rev. Hamilton, "This is an unholy arrangement." He urged the committee to call Mr. Mike Williams at Vision Cable protesting the broadcasting in our area.

HURRICANE ANDREW RELIEF MINISTRY

Report to the Association

1992

I would like to take a moment to express my appreciation to everyone who assisted with the Andrew Relief Ministry which took place in our association recently. The fine efforts of all made it possible for over fifty tons of supplies to be taken to Dade County. Our Associational Director had coordinated the efforts and twelve willing servants left the associational office with the goal of delivering the donation into the appropriate hands. Even though the trip was very long and eventful, our goal was accomplished and each of our lives were touched. More so, I feel that the lives of those in need in Dade County have been touched by the generosity of our communities and churches.

When we give, it is our duty to know and understand and see to it that our gifts are delivered appropriately. When we give in the "Name of Christ" that responsibility is even greater.

I am grateful for having been able to participate in this mission experience and I am grateful to each person who went on the "delivering team". We all had a spirit of unity in accomplishing the goal of our association.

Our association continues to be a living, loving, and caring arm to people in need and especially to "people who need the Lord". May God continue to bless our efforts as we join hands to bring food to the hungry, shelter to the homeless, hope to the hopeless in and through the One who brings peace to all—Jesus Christ our Lord!

Respectfully Submitted,
Mrs. Beth Greene

JAPANESE MINISTRIES

Report to the Association
1992

1991-1992 was a busy year for the Japanese Ministry. We had a Christmas party at First Baptist Church, Havelock. This was the first time the husbands and children joined with the ladies and they enjoyed it. In March, the annual language missions retreat was held at Camp Caraway with Dr. Burke Holland. Japanese workers made plans for the crusade and Japanese retreat. I traveled to Transylvania Association where I was the guest speaker for a WMU Conference in April. A Japanese Crusade was held June 6-8 at First Baptist Church, Havelock, and Newport Baptist Church with Japanese evangelist, Rev. Kohki Kaku from Japan. He played the saxophone and a Japanese instrument, the bamboo flute. Miss Noriko Kasahara from Louisville, KY, also performed in concert at First Baptist Chruches in New Bern, Havelock, and Morehead City. There were four professions of faith made during the crusade. A Japanese retreat was held at Camp Caraway June 20-21. Fourteen people attended the retreat. A new Bible study class resulted from the crusade and retreat in the Newport area. This is very encouraging for the ministry. Appreciation is expressed to the associational churches for their continued prayer and support.

MISSIONS DEVELOPMENT COMMITTEE

Report to the Association

1992

The associational year 1991-92 was a very positive year for the mission work of Atlantic Baptist Association.

Resort Ministries under the direction of Dr. Curt Finch continued to reach new heights of ministry. Nine youth groups witnessed on our area beaches and churches during the summer months. A number of rededications and decisions were made. The association also helped rent a beach cottage to financially assist resort teams in our area. Emerald Isle Baptist Church was started under the leadership of Dr. Finch. The ministry continues to grow each Sunday.

Mrs. Sumiko Sidelinger has completed her eighth year in our association as Director of Japanese Ministries. We're always delighted in how God is working in her life. Highlights were nine professions of faith made during her Tuesday morning Bible study on September 22. Also, a Japanese Crusade was held in our association with five professions of faith.

The Baptist State Convention of North Carolina continues to assist the association through cooperative agreements. We are very appreciative of the tremendous financial assistance we received.

Atlantic Baptist Association was the featured association in the State Missions Offering. The association helped provide German Bibles for German sailors in the port of Morehead City in June. Rev. Tim Vaughn, a German Southern Baptist Missionary, acted as our interpreter. Over six hundred German New Testaments and Gospels of John were given to the sailors. The association helped sponsor a team from the area to help construct the Polish Baptist Theological Seminary in Warsaw, Poland. Financial assistance was provided for our Director of Missions and his wife plus other team members in this trip.

The association continued to respond to the needs of fellow human beings devastated by Hurricane Andrew. Approximately two tractor trailer loads of items plus $16,000 in cash was collected and delivered to hurricane victims.

We thank all of you for the support and thank God for the way He has continued to bless our association as we strive to serve Him.

MUSIC

Report to the Association

1992

"VOLUNTEER WORKERS" are very important in the music ministry of a church. Many times we fail to give them the words of encouragement they need in appreciation for all that they do. Many of you have pianists who play for Sunday School departments Sunday after Sunday. Many of you have volunteer choir directors for different age groups who meet every week. Many of you have a song leader who leads the hymns every week. Many of you have that "very faithful" organist who plays week after week and has done so for many years without pay. Let me ask all of you to "say thanks" to these people who are so very important.

I also feel that it is important that you give encouragement to your music folks who are paid. I sincerely hope that they feel "called" into this kind of work. They still need to hear some kind and appreciative words every now and then. They do many hours of work that no one knows about.

Always, remember that if you need help. . . give me a call in New Bern at 919-637-4166.

Musically Yours,
Rev. John Thompson

ORDINATION COMMITTEE

Report to the Association
1992

The Ordination Committee of the Atlantic Baptist Association met on March 4, 1992, at 1:30 PM, for the purpose of interviewing Mr. Richard D. Seagle for ordination for the gospel ministry. Mr. Seagle is a graduate of Southeastern Baptist Theological Seminary and came to work at First Baptist Church of New Bern the first of February, 1992. Mr. Seagle shared his conversion experience and call to the ministry with the committee. He also had prepared and presented to the committee his very professional statement of his personal theology and methodology as a Christian educator. The commitment found him to be well qualified in every respect and without reservations recommended his ordination by the First Baptist Church of New Bern.

The Ordination Committee of the Atlantic Baptist Association met on April 6, 1992, at 1:30 PM for the purpose of interviewing Mr. Gerald Brock for ordination for the gospel ministry. Mr. Brock is a member of Tabernacle Baptist Church of New Bern, and has been called as pastor of South Creek Missionary Baptist Church. Mr. Brock has served as Field Service Representative for McDonnel Douglas Aircraft for over twenty years. During that time he has lived in many places around the world where he has faithfully served as both teacher and deacon. The committee wholeheartedly affirmed his call and recommended his ordination by Tabernacle Baptist Church of New Bern.

RESORT MINISTRY

Report to the Association
1992

This has been a challenging year for resort ministry as the ministry has grown and tried new means of outreach in the resort community.

In the spring we welcomed two college BSU mission teams which conducted outreach for the new church at Emerald Isle and also assisted other churches in their ministry.

During the summer we welcomed nine mission teams from Southern Baptist churches: First Baptist of Norcross, Georgia; Homestead Heights of Durham; Open Door of Raleigh; First Baptist of Murphy; Corinth of McQuady, Kentucky; Spring Place of Chatsworth, Georgia; Eastern Hills of Charlotte; Fellowship of Raleigh; and Tabernacle of Raleigh. Each visiting team conducted Backyard Bible Clubs in area campgrounds, and also presented programs in the evenings at several of the places where people congregate in large numbers: the Beaufort waterfront, the Morehead City waterfront, and the Holiday Travel Park at Emerald Isle. The groups also handed out invitation cards in the coastal area inviting people to attend the area churches.

As Director of Resort Ministry, I express my gratitude to the talented and self-giving young people and adult advisors who willingly shared their ministry gifts in our coastal communities. I also thank the owners of Holiday Travel Park and Salter Path Family Campground for letting us use their facilities. Several of the churches of our association participated in this ministry this year, and I express my appreciation to them for helping to make this a vibrant ministry.

This was an exciting summer because of the start of the new church at Emerald Isle. The resort teams assisted with worship at the new church. The resort ministry took on a new aspect in that we rented and managed a cottage this year for the visiting teams as well as some of our local churches which used the facility. This was done in an attempt to hold down the expenses for the visiting teams. The most exciting part of the ministry continues to be the number of persons reached by the ministry and the giving of time and talent on the part of the ministry teams.

SECRETARIES' CONFERENCE

Report to the Association
1992

The Atlantic Baptist Association of Church Secretaries meet once a quarter at the associational office in Havelock. To start off our year in October 1991 we had Mr. Mike Whitford from the United States Postal Service as our guest speaker. He gave us some pointers on mailing newsletters and informed us of changes to come in the future.

Five of our church secretaries, Sue Cline, Gail Edge, Debbie Gibson, Kim Pittman, and Jo McCabe attended the North Carolina Southern Baptist Secretaries' Conference at Camp Caraway November 4-5, 1991. The same five attended the Personal Enrichment Program Basic Certification class. All passed the test with flying colors and are looking forward to completing the second half of the Personal Enrichment Program and receiving their certification in November 1992. This is a wonderful time of sharing and encouragement for the church secretaries and we thank each pastor and church family for allowing us to attend.

Rev. Eddie Hammett with the Baptist State Convention came to teach us a condensed version of "Wise Counsel" for our January 1992 meeting. The meeting was well attended and informative.

On the lighter side, Rev. Keith Sellers from First Baptist Church of Morehead City came and "clowned around" in our April meeting. A fun time was had by all.

Our last meeting of the year was in July when we met at the Golden Corral in Havelock. This was a very special time of personal testimonies and song. It was a very uplift-

ing time. We also voted on the first constitution of the Atlantic Baptist Association of Church Secretaries.

We are looking forward to next year—getting to know each other better, reaching out to more church secretaries, and growing in and serving our Lord Jesus Christ!

SEMINARY EXTENSION

Report to the Association
1992

The Seminary Extension Department of the Southern Baptist Convention offers more than 70 courses that can be taken either for college credit or noncollege credit. Among these courses is one on "Ministry to Military Personnel," written by an associational pastor, that may hold some local interest.

This past year your chairman ordered and distributed 1991-92 catalogs to each pastor in the association. Additional copies of these catalogs may be obtained from the Associational Center.

In addition, we sponsored an August 4 through September 23 "Church Growth" class taught by Rev. Bobby Stafford. Seven members of our association completed this course.

Looking to the future, we encourage members of the association (a.) to let us know what courses they would like taught on site at the associational center; and (b.) to consider offering seminary extension classes within local churches in the association.

STEWARDSHIP

Report to the Association
1992

We led a workshop on Christian Money Management February 28, 1992, at the associational center. We attended a Missions Stewardship Conference August 3-5 at Caraway.

Our emphasis for 1992 and 1993 is One for All. One for All is a five year Cooperative Program emphasis designed to undergird the goal of Southern Baptists to share the gospel with everyone in the world by the year 2000. During these years, you will hear much about **One for All** and how you and your church can make a difference by your gifts through the Cooperative Program.

SUNDAY SCHOOL
Report to the Association
1992

The Atlantic Baptist Association was fortunate enough to be chosen as a pilot project for the Great Commission Breakthrough process. This planning process, however, is not just limited to Sunday School. The Great Commission includes four basic emphases: 1) Going in the authority and power of Christ; 2) Making disciples; 3) Teaching them to observe; and 4) Rejoicing in the fellowship of the ever present Lord.

Many have already found the Great Commission Breakthrough to give new life and revitalization to their churches. It is a great vehicle to equip us to present the gospel of Jesus Christ to a hurting and hungry world in need of hope and the "Bread of Life."We must face the issues and prioritize the needs to see if our Sunday Schools are fulfilling their objective.

In response to this, we hope to be sending out an evaluation form to each church in order to discover the areas of need in Sunday School. From this, the Sunday School ASSIST team can meet, review the needs, and formulate a plan of action.

READIN', WRITIN', 'RITHMETIC. . . this has been an educational theme for many years. The church media library should take a look at these basics as a definite plan of action to implement the thrust of this ministry in their individual churches.

READ! In order to become sound in one's doctrine and grow spiritually, reading should be the first key to success in this area. The first plan of action for the media staff is to assimilate all the resources in the best order of accessibility for each church member.

TACMO assisted in this area through several teaching sessions on processing materials. In February, the TACMO members met at Neuse River Baptist Church to help them set up a library system. Sixteen were in attendance. Again in May, Gail Edge and Gayla Hallmark traveled to First Baptist Church, Davis, to assist them in setting up a new media center. How to process materials once again was the first step taken. On two other occasions, church library staff members from Neuse, Trinity Methodist, and Davis met at Temple Baptist Church to work further on the processing stages of books. Again, in August, at the associational center in Havelock, five churches were represented as classes were held on processing media.

WRITIN'! For each church starting their own library, writing up the purpose and goal for this new ministry is important. These goals and purposes should then be presented to the church to gain full support and approval of each member as this special ministry begins. A budget should also be also be written up and presented to the church finance committee for approval. Writing is involved in any good promotion for a new or established library. Guidelines for using media materials should also be written and made available to the church. At each TACMO session there is a part dealing with the start of a new library; these steps are encouraged.

'RITHMETIC! Yes, even in the media library world, we add and we subtract and hopefully multiply a great deal. It is the purpose to add as many types of resources for our churches in order to multiply the knowledge of God's Word in every way. Sometimes we have to subtract—take away old books, etc. in order that we may stay up-to-date with new types of learning resources.

So, it's back to the basics even within the structure of a church media library. When there is a sound structure, there will follow a firm, positive movement toward accomplishing the Great Commission. "Go Ye therefore, and teach all nations. . ." (Matthew 28:19)

VACATION BIBLE SCHOOL

Report to the Association
1992

One of the best evangelistic tools available to our churches is our annual Vacation Bible Schools. Not only is Vacation Bible School outreach, but it is intense Bible study for all ages. Your associational team was trained on March 2 to conduct our associational training school on April 28. The theme this past year was "Fantastic Voyage."

Let me encourage each of the churches to submit their reports to the associational office to help your team in planning for next year's training event. If our team can assist you in any way, please call us.

WOMAN'S MISSIONARY UNION

Report to the Association
1992

"Called and Accountable" was the W M U Emphasis for 1991-1992. In August, Wallace Baptist Church was the location of the State W M U Leadership Workshop. This year we decided to combine leadership training and our annual meeting into a two day retreat. We were joined by the Brotherhood who also had a training session. We met at the Hampton Inn in Morehead City. On Friday night, October 4th, we enjoyed a barbecue around the pool. Afterwards we were led in singing by Deborah Lockey from McCotter Boulevard Baptist Church. Marsha Spradlin of Mobile, Alabama, author and lecturer, led us in "Your Personal Witness in an Impersonal World." On Saturday morning Deborah and Marsha led in our devotional. We then had leadership training sessions for all age levels.

In January we held one of our most successful meetings, our Winter Beach Retreat. We were led by our Baptist Women's President, Cindy Huffman. Our missionary speaker was Shirley Gunn of Nigeria.

In February, during W M U Focus Week, we held another training session in Havelock at Cherry Point Baptist Church.

In March our G A's were treated to a Mother-Daughter Brunch at Newport Baptist Church. The speaker for the meeting was Beth Greene.

In May your Associational W M U entertained the ministers and staff and their spouses at dinner at Galley Stack Restaurant in Morehead City. W M U directors and their spouses were also invited. The W M U's of the local churches helped sponsor this event.

In June Julie Riley led our Acteens in a mission retreat at Fort Caswell Baptist Assembly. This was the second year that she has led this retreat and it was well attended.

In September our GA leaders were entertained at a Brunch at the Associational Center. This was a time of training as well as fun.

YOUTH MINISTRY

Report to the Association
1992

The associational youth ministry continues to remain strong. The associational youth camp was held at Wingate College. Rev. Robert Ellis of Marshallberg Baptist Church served as camp coordinator. The camp pastor was Rev. Don Flowers of Greenville, SC. One hundred thirty four youth and adults attended the associational youth camp the week of July 27. The youth at the camp also attended Super Summer. Over two thousand decisions were made during the two nights of Super Summer. In addition to the youth camp, the association helped provide and encourage local church rallies. The first was YMCA Night on November 16 at the New Bern YMCA. Over one hundred youth attended this recreation and fellowship time. A devotion was led by Rev. Robert Ellis. The second YMCA Night was held on February 15. About one hundred and fifty youth attended. Devotions were led by Peletier Baptist Church. On March 27, 1992, Temple Baptist Church in New Bern hosted an associational youth rally with college students from Akron University in Ohio leading the worship. A special Last Supper Service was held on April 16 at Peletier Baptist Church. Students came from Union University in Tennessee. Finally, on July 12, Witness was jointly sponsored by the association and First Baptist Church of Morehead.

If your church is willing to host an associational youth event, please let me know so we can promote and encourage other youth to be involved.

Mr. Tony Glass

Judy Raynor Russ
1955 - 1992
In Affectionate Memory

Never has one person come into our Association and made a greater impact than Judy Russ. She came with her family to New Bern, NC, from Wilmington with a Christian spirit and attitude that became known immediately from all who knew her. She and her family joined Tabernacle Baptist Church and became active in many areas, but was especially attracted to the work of missions. She served as WMU Director and encouraged so many others in this area of church life.

Judy was secretary of the Atlantic Baptist Association during the time after we called a new Director of Missions. She assisted the association in immeasurable ways. Everyone who got to know her appreciated the Christian spirit she possessed and the willingness to help others. She knew how to go the "second mile" in service to God's kingdom.

One of the ways most of us remember her best was through her ability to laugh at herself and others. She possessed a sense of humor that made people love to be around her. She never met a stranger and treated everyone with equality. People just naturally spoke openly to her and felt that they had met a true friend - and indeed they had.

Judy taught us how to live, but also how to face death with a strong faith. She knew whose she was and where she was going and helped so many who faced death early in life how to adjust and make the best of their situation. She died at an early age of thirty seven, but was able to accomplish more in those few years than a lot of people are able to do in eighty or more years. We all do miss her, but we know there is still another reason to look forward to heaven. To be faithful in a few things results in the activity of many things in God's eternity and therefore, she is still an active servant of God.

We are grateful to her husband, Mike, and their two boys, Joey and Perry, for sharing Judy with all the rest of us. It is a privilege for us in the Atlantic Baptist Association to dedicate this annual to her.

Respectfully written by Dr. Jack Hinton

A Men and Boys Rally will be held on November 13 at McCotter Boulevard Baptist Church with a pig pickin'.

SUNDAY SCHOOL—Rev. Lee Ray Greene asked the body to call the ASSIST team if there were needs. He recommended the Sunday School Plan Book which gives month by month descriptions of how to do Sunday School. Plans are being made for another Sunday School workshop to be held at River Bend Baptist Church on March 3, 1994.

Mrs. Harrell told of an ongoing project to renovate Munda Vista. Each adult WMU member is asked to contribute $25 for the next three years toward this goal. The Uniform Church Letters reveal a decrease in WMU membership. Mrs. Harrell encouraged the body to check with their church clerks to make sure proper reporting was being done.

BROTHERHOOD
Report to the Association
1993

An associational Brotherhood Workshop for Brotherhood Directors, Baptist Men leaders, and RA workers was held at the associational center on November 2, 1992. It was well attended.

An exciting Mission Fair and Pine Derby was held at McCotter Boulevard Baptist Church on March 20, 1993. The church did an outstanding job of hosting and helping coordinate this important event for young boys. Rev. Mike Huffman is the RA Director.

The associational Brotherhood also assisted Hurricane Emily victims on the Outer Banks of North Carolina. Under the direction of the new Brotherhood Director, Mr. Raymond Earp, a team of eleven workers from this association helped clean up the Outer Banks on September 4.

Finally, let me encourage you to be part of the team of workers from this association to be involved in the Ukrainian Baptist Partnership adopted by our association and the Baptist State Convention of NC. If you would like more information, please contact the associational office.

Respectfully Submitted,
Mr. David Butler

DIRECTOR OF MISSIONS
Report to the Association
1993

The year 1992-93 was a year of transition for the association. It involved introspect

and examination of its dreams and goals through associational strategy planning.

The year 1992-93 was the year Havelock Community Missionary Baptist Church was started as a mission of McCotter Boulevard Baptist Church. This predominately Black Southern Baptist congregation has grown from ten to forty enrolled in Sunday School in four short months.

The year 1992-93 was the year Emerald Isle Baptist Church, a mission of Cape Carteret Baptist Church, continued to experience growth. This mission church averaged 125 during the summer months.

The year 1992-93 was the year of the associational meeting. Many recall the meetings at Woodville Baptist Church and the USMC Chapel were the best in recent memory. God's spirit particularly moved in the service with Dr. Gary Young of First Southern Baptist Church of Phoenix, Arizona, during the night session.

The year 1992-93 was the year the association continued to have bi-annual senior adult rallies. The attendance ranges from 120-140 senior adults. This was an important time of fellowship and inspiration.

The year 1992-93 was the year a Korean ministry was started in our association. Under the sponsorship of McCotter Boulevard Baptist Church, Rev. Haeng Bo Lee of Jacksonville conducts weekly Bible studies and worship services. Attendance is averaging about fifteen individuals.

The year 1992-93 was the year of constant tax law changes. A lot of consultant work has been done helping local churches deal with rapidly changing tax laws and IRS codes.

The year 1992-93 was the year that Dr. Herschel Hobbs, author of *The Baptist Faith and Message*, spoke to our association.

The year 1992-93 was the year for the largest gathering of deacons in our associational history. A deacon training workshop was held at the Holiday Inn in Havelock under the direction of Pastoral Ministries.

The year 1992-93 was the year the associational ASSIST team functioned properly. They conducted a training workshop at First Baptist Church of Morehead with over 100 in attendance and are fulfilling a number of other requests generated out of this meeting.

The year 1992-93 was the year of our first Spiritual Growth Conference. God's Spirit moved in a mighty way during this conference.

The year 1992-93 was the year the associational Brotherhood responded to Hurricane Emily touching the Outer Banks. Eleven team members helped in clean up under the direction of the associational Brotherhood Director, Mr. Raymond Earp.

The year 1992-93 was the year the Bivocational ministers continued to meet in quarterly fellowship with one another.

The year 1992-93 was the year the Lord continued to use His association for His glory in Carteret, Craven, Jones, Pamlico, and Beaufort counties.

Rev. Keith Hamilton

DISCIPLESHIP TRAINING
Report to the Association
1993

The world around us is spinning out of control. People are dismayed, bewildered, and confused with the lives they are leading. Jesus said that the "harvest is plentiful, but the workers are few." Training workers has become a predominate need among our churches.

The development of the associational Discipleship Assist team was a step in the direction to help local churches with resources and leadership training in each age group.

We have begun to create a video library of training resources that are available to the churches in our association.

Dr. Herschel Hobbs honored us with a speaking tour in our association this past January.

Discipleship Training is a team effort. Your association is available and ready to assist you with your training needs.

Respectfully Submitted,
Mr. Bob VanderSys

EVANGELISM COMMITTEE
Report to the Association
1993

This year our association sponsored the first "Spiritual Growth Conference" which we pray will be an annual event for years to come. Our speakers included Dr. Ken Hemphill, Director of Church Growth for the Sunday School Board/Home Mission Board of our Southern Baptist Convention, Evangelist Bob Kendig, and Evangelist Wray Wheeless. Music was presented by "Spirit Bound" from Nashville, TN, and Rev. Steve Hughes. The 1992-93 "Spiritual Growth Conference" was held at McCotter Boulevard Baptist Church on March 29, 1993, and at Parkview Baptist Church on March 30, 1993. There were many positive responses and the attendance increased each service. Our 1993-94 "Spiritual Growth Conference" is planned for March 14-15, 1994, with some great preaching to challenge us in the area of growth. In view of the tremendous crowd on Tuesday evening at the 1992-93 conference, we are planning to conduct the 1993-94 conference at Tabernacle Baptist Church in New Bern. The committee evaluated our first conference and believe it best to remain in one church rather than moving about. Also, we felt the need for larger facilities and Tabernacle will be in the new and larger facility for the upcoming conference.

The Evangelism Committee also had planned a "Trumpet Call to Prayer" seminar for September 1993, but cancelled due to the timing was not right. We are attempting to reschedule this very important prayer seminar and will announce the dates, time, place, and speaker at the earliest date.

One of the most exciting events of this past year was the organizing of the associa-

tional Intercessory Prayer Ministry. This prayer ministry began February 3, 1993, and we have seen God move in great and mighty ways. This Intercessory Prayer Ministry is tailored after the National Prayer Watch which is sponsored by the Home Mission Board. At the present time we have twelve churches on Wednesday and one church on Thursday of each week praying for our associational staff, churches, needs within our associational family, and national prayer needs. If you are not involved in this ministry and would desire information, please call the associational office or a member of the Evangelism Committee.

The Evangelism Committee encourages each church to have a revival effort at least annually. Please read the notes of the Executive meeting dated June 28, 1993, for a recommendation concerning the 1995 Simultaneous Revivals.

Thank you pastors, prayer warriors, and churches of the Atlantic Baptist Association for your support of the Evangelism Committee. We are open to any suggestions you may have in order to promote the Gospel of our Lord and Savior Jesus Christ. As chairman of the Evangelism Committee, I must express my deepest appreciation for our Director of Missions, Rev. Keith Hamilton and our associational secretary, Kim Pittman. They have made the carrying out of my responsibilities a real joy. We are indeed blessed to have such an associational staff in the Atlantic Baptist Association.

Respectfully Submitted,
Rev. Jerry Smith

JAPANESE MINISTRIES
Report to the Association
1993

1993 was the seventh year for the Japanese Southern Baptist Retreat in North Carolina. The guest speaker was Rev. Tom Masaki, retired missionary from Japan. Fourteen people from our association attended this retreat. Three new ladies received scholarships to attend this retreat from a Oriental dinner prepared and served at Newport Baptist Church. It was an exciting experience for them! Two ladies have made decisions for baptism as a result of this retreat.

Pearl City Baptist Church in Pearl City and Hilo Baptist Church on Hawaii Island, Hawaii, held a special meeting and asked Mrs. Sidelinger to share her testimony and visit with the Japanese people for two weeks in April. As a result of this mission trip, some were saved, some were encouraged, and some are now attending church. I want to praise the Lord for this opportunity!

A new Japanese Sunday School class began at First Baptist Church, Havelock, with a Japanese Sunday School quarterly from Japan. The Tuesday morning Bible class for young Japanese ladies is beginning its tenth year in October. Each year new people are coming to the classes and some move away, but they take what they have learned with them to share with others. My prayer is that someday, these ladies will pass on to the next generation just like the salvation they have received. Thank you to the pastors and churches for their support and prayers.

Respectfully Submitted,
Mrs. Sumiko Sidelinger

MEMBERSHIP COMMITTEE
Report to the Association
1993

During the 1992-93 associational year, your Membership Committee received one request for membership in the association. The Open Door Baptist Church of Morehead City made this request.

After receiving information in writing from Open Door, meeting with its pastor and chairman of deacons, and inviting and receiving input from members of the association, the committee unanimously declined to recommend watchcare status on grounds that this congregation's Pentacostal associations and charismatic style of worship might prove disruptive to the unity, harmony, and mission of our association.

Respectfully Submitted,
Rev. Ray Whitby

MISSIONS DEVELOPMENT COMMITTEE
Report to the Association
1993

Missions continues to be the key for the ongoing ministry of Atlantic Baptist Association. The Japanese Ministries of the Association under the direction of Mrs. Sumiko Sidelinger has just completed another exciting year. Mrs. Sidelinger continues

to provide spiritual help to the Japanese ladies in our area. She shares her faith through hands on missions. We are very pleased to have someone of Mrs. Sidelinger capabilities and commitment to our Lord.

Resort Ministries under the direction of Dr. Curt Finch continues to grow. Nine youth groups from across our United States participated in our summer resort ministries. These groups conducted Backyard Bible Clubs in the Emerald Isle area, participated in worship at Emerald Isle Baptist Church, and held outdoor services at travel parks, Beaufort, and Morehead. Seventeen people made decisions this summer as a result of our resort ministries.

The association continues to assist the Carteret and Craven Crisis Pregnancy Centers. These centers help counsel individuals concerning their pregnancies. They are very evangelistic in sharing their faith.

The Missions Committee in cooperation with the Baptist State Convention of NC approved cooperative agreements for financial support for Huggins Memorial Baptist Church, Neuse River Baptist Church, and First Baptist Church of Broad Creek.

Island Road Baptist Church and Emerald Isle Baptist Church continue to gain new members and strengthen. We are looking forward to the day when these will be constituted churches in our association.

We are very pleased to announce the establishment of Havelock Community Missionary Baptist Church under the sponsorship of McCotter Boulevard Baptist Church. This predominately Black Southern Baptist church is an exciting example of all races working together to share Christ with one another.

It is our prayer the association may continue to focus on missions and not politics. Thank you for your support and we thank God for the way He has blessed us.

Respectfully Submitted,
Dr. Jack Hinton

MUSIC
Report to the Association
1993

SENIOR ADULT CHOIRS are the upcoming thing in most of our churches. If you haven't thought about starting one...give it a little thought. This is a choir that can meet during the morning or most any time. The fellowship is great!

THE CHILDREN AND YOUTH CHOIRS are very important in a church. I feel that this is a time to train the young folks to sing properly, learn to follow a director, and learn to work together as a group.

EVERY WEEK try to let your organist and pianist know how much you appreciate them. They do a lot of work and go unnoticed.

ALWAYS REMEMBER that if you need my help, just give me a call. If I have a free moment I'll be glad to help you.

Musically Yours,
Rev. John Thompson

ORDINATION COMMITTEE
Report to the Association
1993

The Ordination Committee met on June 21, 1993, at the associational center for the purpose of questioning Mr. Tom Jordan of Temple Baptist Church in New Bern. Mr. Jordan presented a statement of his faith, call, and conversion to the committee. The committee discussed with Mr. Jordan at length these issues. After this discussion, the committee voted unanimously to recommend to Temple Baptist Church to continue with the ordination of Mr. Tom Jordan.

On August 2, 1993, the association's Ordination Committee convened at the request of Cove City Missionary Baptist Church to examine Mr. Mark Minervino who was recently called as their pastor. The examinee was questioned about his call, conversion experience, personal theology, and other pertinent questions concerning his ability and talent for the Gospel ministry. After questioning, the committee voted unanimously to recommend to Cove City Missionary Baptist Church to continue with the ordination of their new pastor.

As always, the associational Ordination Committee stands ready to assist local Baptist churches in the examination of candidates for the Gospel ministry. The associational Ordination Committee does not replace the local church's authority in this matter, but stands ready to assist them.

RESORT MINISTRY
Report to the Association
1993

This has been an exciting and productive year for resort ministry; a year in which we shared ministry with people from many areas of the country and world.

In the spring we welcomed a college BSU mission team which did outreach and special ministry projects in our association.

During the summer we welcomed seven mission teams from Southern Baptist churches: First Baptist of South Boston, Virginia; Tar Heel Baptist from Tar Heel, North Carolina; Open Door Baptist of Raleigh; Tabernacle Baptist of Cartersville, Georgia; Monumental Baptist of Petersburg, Virginia; Mt. Tabor Baptist of Anderson, South Carolina; and East Ridge Baptist of Chattanooga, Tennessee. In addition, other church groups from Ohio and New Jersey assisted in resort ministry as they worked in partnership with Temple Baptist and First Baptist churches of New Bern. Through the work of these ministry teams we were able to provide Bible clubs for children at campgrounds on the beaches and evening music and worship times at key locations in the area.

As Director of Resort Ministry, I express my gratitude to the talented and self-giving young people and adult supervisors who willingly shared their ministry gifts in our coastal communities. I also thank the owners of Holiday Travel Park and Salter Path Family Campground for letting us use their facilities. Several of the churches of our association participated in the ministry this year, and I express my appreciation to them for helping to make this a vibrant ministry. I am also grateful for the churches in the association who sponsor their own programs of outreach to the tourists who frequent the communities in our association. I am aware of special ministries led by First Baptist of Davis and Parkview Baptist that provided ministry to the resort population.

Below you will find some of the statistics which reflect the work of resort ministry this year. It is important to keep in mind that these statistics can never fully tell the stories of many persons who shared themselves and their faith with other persons and the lasting benefit which comes from such an experience for both the givers and receivers of this personal ministry.

1993 STATISTICAL REPORT ON SUMMER MINISTRIES

Backyard Bible Clubs Conducted	18
Number of Children Attending	384
Evening Services Conducted	23
Estimated Number of People Present For Part of a Service	4,800

Witness/Invitation Cards Handed Out 4,500
Persons Making Faith Decisions 17

SECRETARIES' CONFERENCE
Report to the Association
1993

The Atlantic Baptist Association of Church Secretaries meet once a quarter to share ideas and encourage one another.

Mrs. Blaylock of H & R Block started off our first meeting of the year with a talk on payroll taxes with an emphasis on pastor's salaries.

Seven of our church secretaries attended the NC Southern Baptist Secretaries Conference at Camp Caraway in November. Five of these secretaries, Sue Cline, Gail Edge, Kim Pittman, Debbie Gibson, and Jo McCabe completed the second half of the Personal Enrichment Program and received their certification.

Our second meeting was led by Linda Sanborn of the Craven Pregnancy Counseling Center on how to handle emergencies and crisis phone calls.

Our next meeting was a retirement party at the Golden Corral for Mrs. Esther Gatlin. Esther and her husband have moved to the mountains in the western part of the state. After "roasting" Esther, we sent her off with a pair of "mountain taupe" shoes. We will all miss Esther.

We chose a nominating committee and will be electing officers at our next meeting for the coming year.

Thank you pastors and church families for allowing us to be a part of these meetings. If your secretary is not attending our meetings, please encourage her to do so.

SEMINARY EXTENSION
Report to the Association
1993

The Seminary Extension Department of the Southern Baptist Convention offers more than 70 courses that can be taken either for college credit or noncollege credit. Among these courses is one on "Military Personnel," written by an associational pastor, that may hold some local interest.

This past year your chairman ordered and distributed 1992-93 catalogs to each pastor in the association. Additional copies of these catalogs may be obtained from the Associational Center.

Looking to the future, we encourage members of the association (a.) to let us know what courses they would like taught on site at the associational center; and (b.) to consider offering seminary extension classes within local churches in the association.

STEWARDSHIP
Report to the Association
1993

Our emphasis for this past year was ONE FOR ALL. We sent a letter to all churches of our association stressing the importance of increasing financial support for the association. The letter was well received and support increased.

Once again we are planning a workshop led by the Baptist State Convention on February 7, 1994. The meeting will take place in a restaurant setting. New ideas of budgeting and financial planning will be covered.

SUNDAY SCHOOL
Report to the Association
1993

The 1993-1994 theme is *Breakthrough...Serve To Win.* This is an appropriate theme to follow the 1992-1993 emphasis on *Equip To Win.* Equipping gives the tools for service. My prayer for the Atlantic Baptist Association is that every Sunday School would incarnate the words that we hear into the ministry that we live. May the Word indeed become Flesh! The purpose of Sunday School is to reach people for Christ and church membership, and through life changing membership and study to lead them to grow through worshipping, witnessing, and ministering. Then our service to others in His name becomes our service to Him for His sake. To God be the Glory.

How can we have a life changing Sunday School?

1. Evaluate present work
2. Identify needs
3. Prioritize needs
4. Set goals related to priorities
5. Plan actions to achieve goals
6. Depend on the Holy Spirit

TIME—Who's got the time? Order and use the Sunday School Plan Book 1993-94. It will take you month by month, day by day, and step by step through the entire Sunday School year.

HELP—I'm confused. Call a member of the ASSIST team for help. They are: Adult—Tom Lamkin, Children—Tom Jordan, Preschool—Diane Hutchinson, General Officers Kincy Barrow, Pastors—Lee Ray Greene. We hope the workshop at Morehead in September was helpful. Close to 100 people attended. Our next workshop is scheduled March 3, 1994, at River Bend Baptist Church.

Hope to see you there.

Rev. Lee Ray Greene

T.A.C.M.O.
Report to the Association
1993

Church media libraries celebrated fifty years of ministry this year. From its beginning to the present, many wonderful resources and services have evolved to provide churches with this special and unique ministry.

This ministry has brought organization of various materials to the hands of church members, leaders, teachers, and pastors. These materials have provided "windows" of training, teaching, guiding, and informing the very young to the elderly in how not only to study God's Word, but to live it.

The Association Church Media Organization has striven and continues to strive to be another "window" open for churches to have members trained to serve in this very important ministry. Each year study courses have been offered in processing, administering, and promoting a church library.

This past year has been no different. Two local churches have begun "revitalization" of their media centers. We applaud the efforts of the staff at both churches. An onhands workshop was held at Open Door Baptist Church as they prepared, with the help of TACMO members, their book shelves for open house in September. They will be adding audio and video cassettes to be made available for their members as well as books, with their biggest effort toward adding more children's reading materials. First Baptist Church, Morehead, is now working on "computerizing" their catalog card system. See how another "window" is being opened to better service in media centers!

We encourage other churches to start and/or revitalize a media library ministry this year. Contact T.A.C.M.O. to assist you in this effort. God's Word tells us, "Study to show thyself approved, a workman that needeth not to be ashamed, rightly diving the word of truth." (II Timothy 2:15) Let's provide the resources that will enable our people to do just that!

VACATION BIBLE SCHOOL
Report to the Association
1993

One of the best evangelistic tools available to our churches is Vacation Bible School. Not only is Vacation Bible School intense Bible Study for all ages, but it is a great opportunity for outreach.

This year the associational team received their training on March 15 at Memorial Baptist Church in Williamston. They conducted two clinics in our association on May 27 at Newport Baptist Church and on June 7 at Tabernacle Baptist Church with a total of 70 attending. The theme this year was "Summershine."

Let me encourage each of the churches to submit their reports to the associational office to help next year's team in planning for the training events. If the team can assist in any way, please call us.

"Let your light shine!"

WOMAN'S MISSIONARY UNION

Report to the Association
1993

'Lead On" was the W M U Emphasis for 1992-1993. In August the associational W M U Council attended the State Leadership Workshop at Caswell Baptist Assembly. This year we planned four salad supper meetings. The first salad supper was a training session at First Baptist Church, Davis, on October 8. There was good discussion among the ladies attending.

The associational W M U participated in the Christmas project for Woman's Correctional Center in Raleigh. We collected tooth brushes and received enough to also share with Women's Shelter, Religious Community Services Shelter, and Seamen's Center.

Our annual Beach Retreat was held at Holiday Inn, Atlantic Beach, on January 29-30, 1993. Our speaker was Rev. Bill Voorhes who had just returned from a mission trip to Russia. Our Saturday meeting was led by Cindy Huffman, Baptist Women's President.

On March 6, 1993, our G A Mother—Daughter Brunch was held at Newport Baptist Church and directed by Ethel Hamilton. The program was led by Anita Earp who discussed her mission trip to Poland.

On May 17, our Baptist Women and Baptist Young Women met at McCotter Boulevard Baptist Church for our salad supper meeting. Our speaker was Dellanna O'Brien, Executive Director of W M U for the Southern Baptist Convention. Her topic was the problem between W M U and the Southern Baptist Convention.

Our Acteens mission retreat at Caswell Assembly was cancelled because of the lack of leadership. Our Acteen Director, Julie Riley, has moved from our area and we have been unable to replace her.

The fall leadership meeting was a salad supper at First Baptist Church of New Bern. The State Mission Offering and the Mundo Vista Building Campaign Videos were shown. Those attending were from New Bern, Newport, Davis, Havelock, Beaufort, and Spring Garden.

YOUTH MINISTRY
Report to the Association
1993

Not only are youth tomorrow's future, but are active and involved in today's church. The associational youth ministries continue to be committed to providing opportunities for youth to be involved in our Lord's work.

Newport Baptist Church hosted a special conference in October 1992 on Facing Life's Issues. This dealt with the myths of AIDS. A video was shown concerning Magic Johnson and what the truth is about AIDS. About sixty people attended. Our next youth event on March 13 was cancelled due to a storm. A BSU group from Chowan College was supposed to host our youth rally at the skating rink in New Bern. On April 24 Bayboro Missionary Baptist Church hosted an associational youth rally. Rev. Terry Hendrix, pastor of the church, planned an outstanding program. First Baptist Church of Morehead hosted WITNESS on July 11. This co-sponsored associational youth musical was extremely well attended. A summer youth extravaganza was held in conjunction with Super Summer and First Baptist Church of New Bern. First Baptist Church of New Bern provided a special concert with Kyle and Susan Matthews. Also, at various times during the year, churches provided special events for the youth of our association like the Continental Singers at First Baptist Church, Havelock, and the Agape Singers at Neuse River Baptist Church. If you church is willing to host an associational youth event, please let me know so we can promote it. 1994 plans to be an exciting year in youth ministries.

ATLANTIC BAPTIST ASSOCIATION

PREAMBLE

Associations being a proven way of helping churches carry out the Great Commission, we the missionary Baptist churches of Beaufort, Carteret, Craven, Jones, and Pamlico counties voluntarily agree to cooperate according to the objectives, doctrines, and structures set forth in this constitution. No compromise of local church autonomy is implied or follows from membership in this Association or from relationships the Association maintains with the Baptist State Convention of North Carolina, Southern Baptist Convention, or any other person or group determined by the Association - meeting in Executive Committee or Annual Session - to advance the cause of Christ.

ARTICLE I - NAME

Our name shall be the "Atlantic Baptist Association of North Carolina, Incorporated."

ARTICLE II - MISSION

Under the leadership of the Holy Spirit, the mission of this Association and its officers shall be to train, counsel, encourage, and otherwise assist member churches fulfill their scriptural mandate to worship God, love their neighbor, evangelize the lost, and disciple believers in the name of the Lord Jesus Christ (cf., Mark 12:29-31; Matthew 28:19-20).

Inasmuch as cooperation among churches is usually more productive than acting alone, the mission of this Association shall also include initiating such mission advance or outreach activities as shall be judged appropriate by the Association.

ARTICLE III - STATEMENT OF FAITH

Christ and Scripture - the living and written Word of God respectively - shall be the source of our beliefs and basis of our fellowship. *The Baptist Faith and Message* adopted by the Southern Baptist Convention in 1963 expresses the doctrinal positions of the Association.

ARTICLE IV - MEMBERSHIP

Under the Lordship of Jesus Christ, Baptist churches are completely free and sovereign to conduct their business as they see fit. The same goes for Baptist Associations. Membership in this Association, therefore, does not confer to the Association any authority over member churches, nor may churches exercise authority over the Association.

Affiliation between churches and the Association, being free and voluntary, is predicated only on acceptance of the mission and doctrinal positions set forth in this con-

stitution and on active, cooperative participation.

SECTION 1. GRANTING MEMBERSHIP

A. Churches desiring membership in this Association shall - upon official church action - apply directly to the Association meeting in annual or executive session. Such applications shall be presented in writing.

The Association shall, in turn, receive as information and forward such applications to the Membership Committee for study and recommendation.

B. Upon receiving referrals of membership applications from the Association, the Membership Committee shall - over a one year period - take appropriate steps to determine whether applicants evidence suitable compatibility with the Association in spirit and doctrine.

C. Following this one year review, the Membership Committee shall report a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant watchcare status.

D. The Association shall then decide whether to grant watchcare status - a status that carries with it the same rights and privileges as full members with the exceptions of voting and holding office.

A two-thirds vote of ballots cast shall be required to grant watchcare status.

E. After observing churches received under watchcare for one year, the Membership Committee shall bring a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant full membership.

The Executive Committee shall be the final decision-making body of the Association between Annual Meetings.

SECTION 2. The NOMINATING COMMITTEE - composed of nine members, each of whom serves a three year rotating term - shall enlist the most qualified persons available to fill the various positions of service set forth in the By Laws. At the Annual Meeting in April the Nominating Committee shall present its main report. This report, if possible, shall include nominations for all positions of service named in the By Laws; also, nominations of persons enlisted to work on short term mission projects or to serve on program committees. In addition to presenting its main report at the Annual Meeting, the Nominating Committee shall fill vacancies that occur during the course of the associational year, subject to later approval by the Executive Committee. In performing this task, the Nominating Committee shall take care to protect the following rights of nominees and the Association:

BROTHERHOOD

Report to the Association
1994

It is an exciting time to be involved in the Brotherhood programs! Many programs are being offered with something for everyone such as disaster relief/recovery, overseas missions, lay renewal, agricultural missions, medical/dental missions, and sports missions. Our association was involved in several of these this year.

We started the year with a rally in Havelock with motivation speaker, Mickey Marvin, a former Super Bowl champion with the Oakland Raiders. A team of men went to Hatteras to do clean up and construction work after Hurricane Emily. A team of four went to the Ukraine to do construction on a church and led church services in several villages. Many churches took part in Baptist Men's Day.

Three boys were transported to Camp Angel Tree and returned. Raymond Earp went to Georgia on the District II team to help feed flood victims.

Our goal for next year will be to involve every church in the association in at least one of the Brotherhood projects. Every church goal should be to start an active Baptist Men's group, RA group, and support the projects.

A workshop will be provided on October 31 at the associational center. Every church is encouraged to send a representative to this meeting. Catch the fever!

Respectfully Submitted,
Mr. Raymond Earp

BUILDING AND GROUNDS COMMITTEE

Report to the Association
1994

The grounds were kept by William Miranda and Sons. The associational center was cleaned by Pat Falkiewicz of Havelock. The associational center was re-roofed by Bloomberg's of New Bern. The new computer system was purchased for the association.

Mr. Ralph Potter

CHRISTIAN LIFE REPORT

Report to the Association
1994

Many of our churches have formed committees to deal with all the moral and religious issues which confront the body of Christ today. Please keep up the good work! We need to always be informed because the church is being attacked on all sides. We must remember that we are on the winning side.

We have a series of videos available for your use on "America's Godly Heritage." This is the title of the first in the series. They deal with the Christian foundation our nation was built on, and how we have moved away from those basic principles.

If you want a good history lesson, and one which is not being taught today, you will want to view these tapes. You will be challenged to pray for and take a stronger stand for the moral and spiritual values which have made our nation so strong.

Respectfully Submitted,
Rev. Steve Simpson

CONSTITUTION COMMITTEE

Report to the Association
1994

This has been a year of very hard work for this committee. We have undertaken the task of total review of our constitution. The committee has met many times and they have been very committed to the process you as an Association have asked us to do for the future of the Association. Please allow me this opportunity to thank Don Hadley, Ray Whitby, Dorothy Loftin, Scotty Humphrey, Billy Kilpatrick, and Franklin Atkinson for working so hard and being so unselfish in their commitment to this project. Then to Keith Hamilton for his leadership and Kim Pittman who has made the process easier and has given of herself to see that the letters went out and the copies updated. Thank you all for showing pride and prayer every step of the way. To the many who attended the listening sessions and responded in writing to our review process, we thank you and have listened and prayed over every comment and thought.

During this meeting you will vote on adopting a new constitution for the Atlantic Baptist Association. I believe this constitution will move our association into the next century, that it will provide progressive leadership, and cause us together as Southern Baptists to view our work with the compassion and commitment that our Savior expects of us all. We believe this constitution is our future and God has led us in presenting it to you. We can only hope that you have been as prayerful about your vote and support as we have been in developing this constitution for your association and the work of our LORD.

Respectfully Submitted,
Rev. Billy Hutchinson

DIRECTOR OF MISSIONS

Report to the Association
1994

1993-94 was the year that Mrs. Sumiko Sidelinger, Director of Japanese Ministries, concluded ten years of service in our association. I could never say enough good about Mrs. Sidelinger's ministry in our area. She is known for her love of evangelism and discipleship. Only when we get to heaven will the true fruits of her ministry be known. (They will be many!)

1993-94 was the year the association sought to rewrite its constitution. The newly proposed constitution is based on the association being able to respond to church needs.

1993-94 was the year the association sent a team of workers to help in the former

Soviet Union, Ukraine. This team not only did construction work, but was involved in evangelism.

1993-94 was the year the associational youth outdid themselves. They conducted, "Live It to the Max," a musical drama. This presentation was viewed by about 850 individuals. It was excellent!

1993-94 was another great year for the association's Resort Ministry. Not only did approximately 3,500 watch the Resort Ministry from the Boardwalk in Beaufort, Morehead City, and Atlantic Beach, but over 400 children attended the Bible club camps. Curt Finch does an outstanding job of leading this ministry.

1993-94 was the year the associational Baptist Women's Retreat grew to its largest attendance ever. Miss Mildred McWhorter, retired missionary from the innercity of Houston, led our retreat this year.

1993-94 was the year a Conflict Management Committee was formed. The purpose of this committee was to help the Director of Missions to come up with tangible ways of resolving conflict in the churches. The results of this committee's work were encouraging.

1993-94 showed the continuation of the Korean ministry at McCotter Boulevard Baptist Church.

1993-94 was the year Havelock Community Missionary Baptist Church continued to reach its community as the association's African-American congregation.

1993-94 was the year the association offered Vacation Bible School materials at a reduced rate. Approximately twenty four churches utilized this new service of the association.

1993-94 was the year the association helped Rev. Gary Bishop, Southern Baptist Missionary to England, by purchasing a new piano for his congregation. Wallsend Baptist Church was the recipient of this associational gift.

1993-94 was the year two Sunday School Leadership Conferences were conducted by the associational ASSIST team. Sunday School continues to be the basis of church growth in our association.

1993-94 was the year our association reported on the possibility of expanded growth due to the growth of Cherry Point Marine Corps Air Station. Towards the end of 1994 we were already experiencing this growth. The challenge for 1994-95 will be if we as an association intentionally try to reach the exploding population in our association by starting new churches.

Finally, 1993-94 was the year we continued our Intercessory Prayer Ministry. Approximately fourteen churches are involved in this ministry on a weekly basis. Prayer is the key foundation to our success in serving our Lord Jesus Christ. May we all be praying warriors.

Respectfully Submitted,
Rev. Keith Hamilton

DISCIPLESHIP TRAINING REPORT

Report to the Association
1994

The Great Commission of our Lord Jesus Christ states that we are to go into the world and make disciples of all nations. The Discipleship Training ministry of Atlantic Baptist Association exists to assist member churches in equipping its members in growing in Christlikeness.

Many of the recent materials now available for churches to use include: *Experiencing God: Knowing and Doing the Will of God* (our association has the video tapes in its library), *Fresh Encounter*, which deals with spiritual awakening, LIFE support courses such as *The Search for Significance, Untangling Relationships,* and *Making Peace with Your Past*, and a new LIFE course - *The Mind of Christ* by T. W. Hunt.

All these resources and more are available to churches and members to help facilitate their growth in Christ. The Christian life is a process, a process of growing in Christlikeness. Call upon the Associational Discipleship Training ministry to help you and your church grow in discipleship.

Respectfully Submitted,
Dr. Randal Outland

EVANGELISM COMMITTEE

Report to the Association
1994

This year our association sponsored the second annual "Spiritual Growth Conference" on March 14-15, 1994, at Tabernacle Baptist Church in New Bern, North Carolina. Our speakers included Dr. Johnny Hunt, pastor of First Baptist Church, Woodstock, Georgia, and well known conference speaker, Dr. Wayne A. Barber, President of Press On Ministries and pastor of Parkwood Baptist Church in Chattanooga, Tennessee, Evangelist Billy Webb of Elm City, North Carolina, and Evangelist Wray Wheeless of Nashville, North Carolina. We were also honored to have a husband/wife drama team, Acts of Renewal, from Emerald Isle, North Carolina. The team consisted of Jim and Carol Anderson Shores. They both are well known in Christian theater and travel nationally. Carol has been used in many drama arrangements within our Southern Baptist Convention such as "True Love Waits" rallies. Our special music was shared by Kincy Barrow, pastor of McCotter Boulevard Baptist Church, Steve Lalk, Minister of Music at Parkview Baptist Church, and Mrs. Becky Justice, member of Tabernacle Baptist Church. Reverend John Thompson led our congregational music and the associational choir.

We also held a one night "Downeast Crusade" at Atlantic Missionary Baptist Church with Evangelist Larry McFadden. The associational Intercessory Prayer Minis-

try which began February 3, 1993, has not received the support during 1994 we would have desired to see. We are grateful for the prayer warriors who have been faithful, but desire every church get involved in this associational prayer ministry. Pastors, please make your people aware of this ministry, promote it and you be involved, if possible. It is exciting to hear the results of answered prayer from this ministry as it is shared during our Wednesday night prayer service. If you are not involved in this ministry and would desire information, please call the associational office or a member of the Evangelism Committee. The Evangelism Committee encourages each church to have a revival during the months of March and April of 1995 in conjunction with Simultaneous Revivals. We have already planned the 1995 Spiritual Growth Conference which will be March 13-14, 1995, and this could be used as a great springboard for your spring revival. Our 1995 speakers for the Spiritual Growth Conference include Dr. David Shannon from Atlanta, Georgia, and Dr. Jack Stanton from Bolivar, Missouri. Make plans now to attend our 1995 conference at Parkview Baptist Church in Morehead City.

The Evangelism Committee encourages each church to have a revival effort at least annually.

Thank you pastors, prayer warriors, and churches of the Atlantic Baptist Association for your support of the Evangelism Committee. We are open to any suggestions you may have in order to promote the Gospel of our Lord and Savior Jesus Christ. As chairman of the Evangelism Committee, I must express my deepest appreciation for our Director of Missions, Reverend Keith Hamilton and our associational secretary, Kim Pittman. They have made the carrying out of my responsibilities a real joy. We are indeed blessed to have such an associational staff in the Atlantic Baptist Association.

Respectfully Submitted,
Rev. Jerry Smith

HISTORIAN

Report to the Association
1994

The churches in our association continue to make history in their mission outreach. The Wallsend Baptist Church, Wallsend, England, was able to purchase a piano with contributions from some of our churches. This church is pastored and ministered to by our own Gary Bishop and his family. Four people represented our association on a two week mission trip to the Ukraine in August. Our people were very generous in donating supplies for them to carry with them. They helped with some building and teaching. First Baptist Church, Morehead City, sent a mission team to Brazil for two weeks to work on a construction project. Brian Chadwick, the pastor's son at Island Road Baptist Church, went with other BSU students to Belize during Christmas vacation. Victory Baptist Church celebrated a real victory in sending her pastor and chairman of deacons to South Africa during the Christmas holidays. Bogue Banks Baptist Church shipped 144 Spanish Bibles to Paraguay.

One of the highlights of the year was the participation of many of our churches in the Greater New Bern Area Crusade, May 8-13, in the New Bern High School Stadium.

Several churches sent groups of youth and adults to help in other states. Sixteen youth from Tabernacle went to south Texas to do mission work in a children's home. The "World Changers," of First, Havelock went on a week's trip to Charleston, South Carolina, to do mission work. A team of adults and youth from First, New Bern, went to the Appalachian Mountains near Johnson City, Tennessee. The church donated supplies and funds for them to help rebuild and repair two homes for needy families. Pollocksville Baptist Church sponsored a cottage at Kennedy Home for Christmas.

This was a year for anniversary celebrations. First Church, New Bern, celebrated 185 years of service. Woodville Baptist Church celebrated 150 years. Reece's Chapel is 86 years old. National Avenue Baptist Church held a 40th celebration in March and Fort Barnwell Baptist Church commemorated 140 years in April. Spring Gardens Baptist Church had Homecoming on September 25 to usher in a year long observance of the church's centennial celebration to conclude in 1995. Colony Baptist Church is making plans for her twentieth anniversary in October.

McCotter Boulevard Baptist received the 1994 award for Church Growth from the Baptist State Convention of North Carolina.

In addition to spiritual and numerical growth, there has been growth in buildings for worship and service. Tabernacle Baptist Church dedicated her beautiful 1,000 seat sanctuary on May 1. Temple Baptist Church had a dedication service for her Family Life Center April 10. Morehead City had a groundbreaking for their new multi-purpose building last October. Neuse River Baptist Church is building a Sunday School facility. Bayboro has almost completed their new educational building.

Our churches are making strides in community and race relations. The women of Beaufort participated in the Baptist Women's World Day of Prayer at Mt. Zion Baptist Church on November 1. South Creek Missionary Baptist Church had a joint worship service with their Spanish ministry. A covered dish luncheon was held in honor of their Mexican migrant friends. McCotter Boulevard Baptist Church had a joint baptismal service with Havelock Community Missionary Baptist Church. Later they baptized three people through their Korean ministry. Havelock Community Missionary Baptist Church also baptized nine individuals and ordained three deacons. First Baptist Church, New Bern, observed Good Neighbor Day with a joint worship service on Sunday night with St. Peter's A.M. Zion Church, February 13. Calvary Baptist Church began an after school program for children kindergarten through eighth grade. First, New Bern had an eleven week Summer Day Camp. First Baptist Church, Davis, held a Mexican-American Night on August 6 with a covered dish dinner. Suitcases, Bibles, and health kits were distributed. They also had a ten week Spanish course to help the members with the migrant ministry. Just before school started, First Baptist Church, New Bern, had a corporate Sunday morning worship service with school personnel, teachers, pupils, and parents in the community school system. In the last twenty months, sixty eight outside groups have used the Family Life Center at First Baptist Church, New Bern. This did not include the outreach programs and special community events planned by the church. The Family Life Center has helped to facilitate the church's mission to downtown New Bern.

This has been a good year and we give thanks to God for His blessings.

Respectfully Submitted,
Miss Jane Marshall Jerkins

MISSIONS DEVELOPMENT COMMITTEE

Report to the Association
1994

Missions has been the description used most to explain what we as Baptists do best. While everything a church or association does is not missions, there should be a dimension of missions in all that we endeavor to accomplish. Missions continues to be a pivotal part of our association with several new and on going projects taking place this year.

Resort Ministries, under the leadership of Dr. Curt Finch, had another excellent year. There were eight groups from various churches that came to our area to work in resort missions. During their stay, they completed eighteen Bible Camps and presented twenty seven evening programs. The Emerald Isle Baptist Church continues to grow in their present location. They have built a nucleus of full time residents and second home folks with many tourists visiting during the summer months. A new billboard sign erected this year will hopefully make the church easier to find for first time visitors.

We continue to help with the Carteret and Craven Crisis Pregnancy Centers as well as the Seaman's Center at the Morehead City Port.

This marks a mile stone in our work with Japanese Ministries. Our Director of Japanese Ministries, Mrs. Sumiko Sidelinger, has been leading this work for ten years. The ministry continues to grow and countless souls have been won to Christ because of her sacrificial work. The group participated in the annual Japanese Retreat. She also works with many of these young ladies helping them get settled in a new country with a new language, If you have not had Mrs. Sidelinger to visit your church , I encourage you to do so. It will prove to be very rewarding.

We continue to work with the State Baptist Convention in helping with the financial support for Huggins Memorial Baptist Church, Neuse River Baptist Church, Broad Creek Baptist Church, Emerald Isle Baptist Church, as well as military ministries. Havelock Community Missionary Baptist Church continues to out grow the space in their present location.

Our association is presently trying to establish a Disaster Recovery Unit for this area of the state. Be much in prayer on how you and the organizations of your church might help make this project a success.

On behalf of the Missions Development Committee, let me say thanks for your giving and work on our mission efforts. We have made great progress, but there is still much more to be done, *"for the fields are white unto harvest."*

MUSIC

Report to the Association
1994

DO THE USUAL....UNUSUALLY WELL !!! While leading the music at the Ministers' School at Campbell University this past summer one of the leaders said, "Do the USUAL...UNUSUALLY WELL!" This has stayed in my mind. He represented a very large church and stated that they had never had to use "gimmicks"

in their worship services to get people to attend. He stated we should select congregational music everyone could sing. If you use choruses, mix them in with some of the old faithful hymns. The CONGREGATION is the most important part of the MUSIC MINISTRY in our churches. People need to participate and by singing music they know...they feel comfortable. The ONLY PURPOSE of congregational singing, solos, choir specials, etc., is to prepare the heart for the message and then on to the hymn of invitation. Here again, the invitation hymn should be something they know. When people are deciding to make a decision for the Lord, they don't need to be having to learn a new song at the invitation time.

Always remember that I am here to help you in any way.

By authority of the requesting churches, the Ordination Committee met to examine the following individuals pertaining to their suitability for ordination:

August 1, 1994 - Mr. Larry Wright, called by McCotter Boulevard Baptist Church, Havelock, to serve as Minister of Education and Administration.

All three persons were questioned as to their conversion experiences, preparation and call to ministry, and theology. All three were recommended by this committee to their churches for ordination.

RESORT MINISTRY REPORT

Report to the Association
1994

This has been an exciting and productive year for resort ministry; a year in which we shared ministry with people from many areas of the country and world.

During the summer we welcomed seven mission teams from Southern Baptist churches: Black Walnut Baptist from Halifax County, Virginia; Madison Heights Baptist of Madison Heights, Virginia; Tar Heel Baptist of Tar Heel, North Carolina; First Baptist of East Bernstadt, Kentucky; Cumberland Homesteads Baptist of Crossville, Tennessee; Peninsula Baptist Mission of Baltimore, Maryland; and Little River Baptist of Penrose, North Carolina. We also had two other churches visit for one day stays and lead in resort ministry programs. Through the work of these ministry teams we were able to provide Bible clubs for children at campgrounds and evening music and worship times at key locations in the area.

As Director of Resort Ministry, I express my gratitude to the talented and self-giving young people and adult advisors who willingly shared their ministry gifts in our coastal communities. I also thank the owners of Holiday Travel Park and Salter Path Family Campground for letting us use their facilities. Several of the churches of our association participated in the ministry this year, and I express my appreciation to them for helping to make this a vibrant ministry. I am also grateful for the churches in the association who sponsor their own programs of outreach to the tourists who frequent the communities in our association.

Below you will find some of the statistics which reflect the work of resort ministry this year. It is important to keep in mind that these statistics can never fully tell the stories of the many persons who shared themselves and their faith with other persons and the lasting benefit which comes from such an experience for both the givers and receivers of this personal ministry.

1994 STATISTICAL REPORT ON SUMMER MINISTRIES

Backyard Bible Clubs Conducted	16
Number of Children Attending	344
Evening Services Conducted	23
Estimated Number of People Present for Part of a Service	3,500
Witness/Invitation Cards Handed Out	4,000
Persons Making Faith Decisions	8

SECRETARIES' CONFERENCE

Report to the Association
1994

The Atlantic Baptist Association of Church Secretaries meet once a quarter, (on the first month, second Thursday), to share ideas and encourage one another.

New Officers elected to serve for 1994 and 1995 are:

President - Patsy Deese

Vice-President - Sue Cline

Historian - Gail Edge

The new year began with Mrs. Debbie Harris leading the group in a study of *Spiritual Gifts* by Barbara Joyner. Our second meeting was led by President, Patsy Deese, with the theme, "Simple Women." Each secretary brought a simple wooden spoon with their name written on it which was exchanged with another secretary. The purpose was for us to "pray one for another."

In our next meeting, we were basking in the sunlight of God's love as Rev. Clell Gibson shared words of love and encouragement to help each of us walk closer to the Lord as we serve in the local church. What a wonderful blessing!

Dr. Gene Puckett, Editor of the *Biblical Recorder*, met with us in October to discuss using the *Recorder* as a vehicle for the church newsletter. This will enable the churches to receive news from Baptists around the state as well as the local church news.

We would like to thank each Pastor and the church families for allowing us the opportunity to have this special time of fellowship with other church secretaries. If your secretary is not part of this group of special people, we encourage you to allow her the time to join us.

Mrs. Patsy Deese

SEMINARY EXTENSION

Report to the Association
1994

The Seminary Extension Department of the Southern Baptist Convention offers more than 70 courses that can be taken either for college credit or noncollege credit. Among these courses is one on "Military Personnel," written by an associational pastor, that may hold some local interest.

This past year your chairman ordered and distributed 1993-95 catalogs to each pastor in the association. Additional copies of these catalogs may be obtained from the Associational Center. In addition, arrangements were made for an inmate at Newport Prison to enroll in a Seminary Extension class.

Looking to the future, we encourage members of the association (a.) to let us know what courses they would like taught on site at the associational center; and (b.) to consider offering seminary extension classes within local churches in the association.

STEWARDSHIP

Report to the Association
1994

A spoonful of mayonnaise, a loaf of bread, and good stewardship practices have a lot in common. If a spoonful of mayonnaise is already obligated to several slices of bread, a mayonnaise shortage will be experienced by some of the sandwiches. The same is true in the stewardship practices we use concerning money God has entrusted with us. If we obligate ourselves too much to the economics of the world, many worthwhile mission programs will experience a shortage.

According to a recent poll, 33% to 44% of Americans have over-extended themselves financially. But out of all this burdensome news there is some refreshing information. The Stewardship Division of the Southern Baptist Convention will share with us a two-day seminar on CHRISTIAN MONEY MANAGEMENT. Lee Davis will be our guest. Lee is the author of the book, IN CHARGE. He has been successful and will teach us how to be successful in managing the resources God has given us. The seminar will be April 10 and 11, 1995. It will take place at McCotter Boulevard Baptist Church. Lee has, also, written the book, FIVE STEPS TO SUCCESSFUL MONEY MANAGEMENT. You will not want to miss this great opportunity.

SUNDAY SCHOOL

Report to the Association
1994

Like the heart to the body. Like the fingers to the hand. Like the motor to a car—so is Sunday School to the church. You might have the form of a church, but the work for the church is done through Sunday School. People to people. Small group sessions. Group leaders. Caring, compassionate, commissioned believers. As your church grows, so it goes through Sunday School.

This year, 1994-95, is the last year of the Great Commission Breakthrough Sunday School focus on evangelism and Christian development. The themes included:

1990-91 Breakthrough...Reach to Win
1991-92 Breakthrough...Teach the Bible to Win
1992-93 Breakthrough...Equip to Win
1993-94 Breakthrough...Serve to Win

1994-95 Breakthrough...Witness to Win

The Great Commission Breakthrough is described by the convention as a plan to help each church and mission in the Southern Baptist Convention to break through in spirit, attitude, and practice to implement the Great Commission. Breakthrough provides a customized plan to be designed to help your church meet its needs, challenges, and dreams.

The Atlantic Baptist Associational Sunday School ASSIST team has provided three workshops to help implement the goals of the Great Commission. The workshops were spread across the association at Morehead in September, 1993, New Bern in March, 1994, and Havelock in September, 1994. We hope you were able to attend the September 15 meeting at Cherry Point Baptist Church. We pray that this will be the beginning of a wonderful "Breakthrough" in your Sunday School as we continue to incarnate the Living Word.

TACMO

Report to the Association
1994

Reading. Learning. Planning. Teaching. What do these things have in common? They are steps with which all of us reach a goal in life. To attempt these steps, one must have a method to do so. Hands On!

This has been one of the aims of TACMO By the "hands on" method we experienced our greatest learning. One such event was in our October meeting when "How to Promote and Administer a Library" was taught. Evelyn Bryden, Morehead First Baptist, led the study in October, 1993. In January, 1994, a time of calendaring/planning was held at the associational center. Looking at the needs and status of libraries within our association gave us a "hands on" approach to set goals for future meetings. Three churches, First Baptist, Beaufort, Open Door Baptist, Morehead, and Temple Baptist, New Bern, were represented.

Another learning experience for TACMO members came with the "hands on" work done at First Baptist, Beaufort, in the April meeting. Following the loss of their accession book, the media staff began the arduous task of setting up a new accession book which lists all books and other resources contained in their library. Although it will take some time to complete this, the media staff will become more familiar with the types and titles of the resources available in their collection. This will certainly assist them in promoting teaching helps. Putting helpful resources in the hands of teachers as well as other areas of reading through devotional books, biographies, poetry, fiction, and other subjects into the hands of the church family is important. Temple, Open Door, and Morehead, First, were the visiting churches at this "hands on" workshop.

In our July meeting, media members met at the association center to share some of their best promotion efforts with each other. Also, a time of planning with the new TACMO director for 1994-95, Mrs. Evelyn Bryden, was initiated.

"Hands On." This method of "learning as we "go" and "do" - whether it be making bulletin boards, planning promotional gimmicks, repairing books, or catalog-

ing - is the best way to learn, plan, read, and teach! Mr. R. G. Puckett, Editor of *The Biblical Recorder*, summarizes the importance of books and reading when he wrote, "Reading is more than the acquisition of knowledge and intellectual stimulation. Reading is a part of spiritual growth and it can be pleasant without being laborious... Remember, the person who can read and doesn't isn't any better off than the person who cannot read at all."

Make this "acquisition of knowledge" a "hands on" challenge for your church media library each day!

VACATION BIBLE SCHOOL

Report to the Association
1994

Vacation Bible School continues to be a valuable resource in reaching the community for Christ. This summer the theme for VBS was "Trail of Treasures" and that it was, as children and adults came to discover the riches in God's Word.

The Associational VBS Team consisted of seven members who received training in the new curriculum at First Baptist Church in Wallace, NC. They returned anxious to share what had been learned with churches in our association. Clinics within the association were held March 21 at the Associational Center, May 5 at Cherry Point Baptist Church, and May 23 at Victory Baptist Church with a total of 43 attending.

This year materials were available at the associational office. Churches were able to preview the materials before purchasing, buy what was needed, and return for more materials as the need arose. Twenty four churches made use of this service.

To my knowledge, thirty churches within our association held VBS this summer. Since all reports have not yet been submitted, this is only a beginning figure.

Jesus said, "Suffer the little ones to come unto me and forbid them not..." Through your efforts in VBS, you are providing a way for a "little one" to take those first steps toward Christ and eventually to reach out to embrace Him.

WOMAN'S MISSIONARY UNION

Report to the Association
1994

"In Christ's Name: Love, Give, Serve, Go" was the WMU emphasis for 1993-1994. In August, the Associational WMU Council attended the State Leadership Workshop at First Baptist Church, Clinton. This year we planned four supper meetings. The first salad supper was an observance of Baptist Women's World Day of Prayer. The meeting was led by Cindy Huffman, our Baptist Women's Director in Atlantic Association.

The Associational WMU participated in the Christmas project for Woman's Correctional Center in Raleigh. We collected chewing gum and our ladies contributed generously.

Our annual Beach Retreat was held for the first time at the Sheraton Hotel at Atlantic Beach on January 28-29, 1994. Our speaker was Mildred McWhorter. She is a retired missionary from an innercity ministry in Texas. We were joined this year with Baptist Women and Baptist Young Women from Johnston Association. Cindy Huffman, Baptist Women's Director, was in charge of this meeting.

On February 17, 1994, a salad supper was held at First Baptist Church, Morehead City. The emphasis was on the improvements being made at Camp Mundo Vista at Asheboro. Our speaker was Deborah Lockey of McCotter Boulevard Baptist Church who was a counselor at Mundo Vista.

On March 11, 1994, a GA Lock-in was held at First Baptist Church of New Bern's Family Life Center. Ethel Hamilton, Girls in Action Director, led this event. There were lots of things to do including an event led by Keith Hamilton.

On May 9, 1994, our Baptist Women and Baptist Young Women held a salad supper and discussed the changes to take place in WMU in 1995. We will be Women on Missions, no longer Baptist Women and Baptist Young Women. Our magazine will be MISSIONS MOSAIC instead of ROYAL SERVICE and CONTEMPO.

On September 8, 1994, the Associational WMU Council hosted a special WMU Awareness Conference for the Japanese and Korean ministries and new church starts. Supper was served.

YOUTH MINISTRY

The youth ministry of the Atlantic Baptist Association has been quite busy over the past year. The goal of the Youth Council was to bring the churches together for "sparking" new friendships with a Christ-centered activity pulling the youth together.

The sparking of our fire began on November 5 with a lock-in at Sports World in Morehead City. There were 85 in attendance with a night of fun and Bible study. The flame was dying down so on January 22 a 50's Night was presented by the youth of the association headed up by Jerry Cullum of First Baptist Church, Havelock, and Steve Lalk of Parkview Baptist Church. As the flame began to rekindle, the association traveled to Boone for a two day trip at the Appalachian Ski Resort. The number totaled 175 youth and chaperones. With only one minor mishap, the four bus loads returned safely to the east coast. The spark had grown into a raging fire and from January to May 1, 70 plus youth and youth workers practiced every Sunday night after church service to present the musical, "Live It to the Max," on May 1. Tabernacle was the host church for this spectacular service with 850 in attendance. The group was asked to sing at the New Bern Crusade on May 10 during the Youth emphasis night. The Witness group was in concert on June 19 at First Baptist Church, Morehead City, during the evening service. The summer was a blazing inferno with the "One Man Volleyball," also known as Bob Holmes. He came to New Bern on July 10 and conquered all the teams that tried to ruin his winning record. After 5 games, he still remained undefeated, but he left behind some wonderful words during a Bible study that he gave to the group. Now that the fire was out of control,

there was only one thing left to do; attend Super Summer on July 29-30. With 78 youth on the Piedmont Coach Lines, the event would not have been complete without a stopover at Wingate College before heading back to New Bern.

This goes to prove that it only takes a spark to get a fire going. Continue to support the youth ministries of the association as we all try to bring the youth to a saving knowledge of Jesus Christ.

ATLANTIC BAPTIST ASSOCIATION

PREAMBLE

Associations being a proven way of helping churches carry out the Great Commission, we the missionary Baptist churches of Beaufort, Carteret, Craven, Jones, and Pamlico counties voluntarily agree to cooperate according to the objectives, doctrines, and structures set forth in this constitution. No compromise of local church autonomy is implied or follows from membership in this Association or from relationships the Association maintains with the Baptist State Convention of North Carolina, Southern Baptist Convention, or any other person or group determined by the Association - meeting in Executive Committee or Annual Session - to advance the cause of Christ.

ARTICLE I - NAME

Our name shall be the "Atlantic Baptist Association of North Carolina, Incorporated."

ARTICLE II - MISSION

Under the leadership of the Holy Spirit, the mission of this Association and its officers shall be to train, counsel, encourage, and otherwise assist member churches fulfill their scriptural mandate to worship God, love their neighbor, evangelize the lost, and disciple believers in the name of the Lord Jesus Christ (cf., Mark 12:29-31; Matthew 28:19-20).

Inasmuch as cooperation among churches is usually more productive than acting alone, the mission of this Association shall also include initiating such mission advance or outreach activities as shall be judged appropriate by the Association.

ARTICLE III - STATEMENT OF FAITH

Christ and Scripture - the living and written Word of God respectively - shall be the source of our beliefs and basis of our fellowship. *The Baptist Faith and Message* adopted by the Southern Baptist Convention in 1963 expresses the doctrinal positions of the Association.

ARTICLE IV - MEMBERSHIP

Under the Lordship of Jesus Christ, Baptist churches are completely free and sovereign to conduct their business as they see fit. The same goes for Baptist Associations. Membership in this Association, therefore, does not confer to the Association any authority over member churches, nor may churches exercise authority over the Association.

Affiliation between churches and the Association, being free and voluntary, is predicated only on acceptance of the mission and doctrinal positions set forth in this constitution and on active, cooperative participation.

SECTION 1. GRANTING MEMBERSHIP

A. Churches desiring membership in this Association shall - upon official church action - apply directly to the Association meeting in annual or executive session. Such applications shall be presented in writing.

The Association shall, in turn, receive as information and forward such applications to the Membership Committee for study and recommendation.

B. Upon receiving referrals of membership applications from the Association, the Membership Committee shall - over a one year period - take appropriate steps to determine whether applicants evidence suitable compatibility with the Association in spirit and doctrine.

C. Following this one year review, the Membership Committee shall report a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant watchcare status.

D. The Association shall then decide whether to grant watchcare status - a status that carries with it the same rights and privileges as full members with the exception of voting and holding office.

A two-thirds vote of ballots cast shall be required to grant watchcare status.

E. After observing churches received under watchcare for one year, the Membership Committee shall bring a favorable or unfavorable recommendation to the Association (meeting in annual or executive session) concerning whether to grant full membership.

A vote to grant full membership shall also require a two-thirds favorable vote of ballots cast.

SECTION 2. WITHDRAWING MEMBERSHIP

A. Membership may be withdrawn when churches no longer cooperate or participate in the life of the Association. Membership may also be withdrawn when churches deviate doctrinally from positions set forth in *The Baptist Faith and Message*.

B. The procedure whereby membership may be withdrawn is as follows:

1. Authorization to take steps toward withdrawing membership may be given only by the Association meeting in annual or executive session. The Membership Committee may, however, request such authorization.

2. Such authorization to review membership status is indicated when churches evidence noncooperation, nonparticipation, or doctrinal deviation.

3. Once authorized, the Membership Committee shall conduct a thorough examination before returning a recommendation to the Association.

During this period, the Membership Committee shall take appropriate steps to bring those congregations being examined back into fellowship.

4. Should these restorative efforts fail, the Membership Committee may recommend watchcare status (not withdrawal of membership) to the Association.

Watchcare status - with its attendant loss of all voting and office holding privileges - shall go into effect upon a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

5. Such watchcare status shall last one year, after which the Membership Committee shall recommend restoring full membership or withdrawing membership altogether.

As with the vote on watchcare status, a vote to restore or withdraw membership shall require a two-thirds vote of ballots cast by the Association meeting in annual or executive session.

SECTION 3. TRANSFERRING MEMBERSHIP: Any church requesting transfer to another Association may be granted a letter of dismissal by presenting a written request to the Association.

SECTION 4. MESSENGERS TO THE EXECUTIVE COMMITTEE AND ANNUAL MEETINGS: All congregations holding full membership in the Association may send up to ten (10) messengers to Executive Committee and Annual meetings.

ARTICLE V - PARLIAMENTARY PROCEDURE

Robert's Rules of Order, in its latest edition, shall be the accepted authority in conducting the business of the Association.

ARTICLE VI - AMENDMENTS

Proposed amendments to this constitution may be put to a vote at any Annual Meeting provided the following conditions are met:

A. Proposed amendments shall first be submitted in writing to the Association at the October meeting of the Executive Committee.

B. The Executive Committee shall, in turn and by majority vote, refer proposed amendments to the Constitution and By Laws Committee for study and recommendation.

C. Written copies of proposed changes coming out of committee shall be given to the Executive Committee at their January meeting.

D. Proposed amendments shall be presented at the first session of an Annual Meeting and voted on during a subsequent session. The session during which the vote is to be taken shall be stated at the time of initial presentation.

The same conditions apply to a completely revised or re-written constitution.

Any actions taken on constitutional matters shall require a two-thirds favorable vote of ballots cast by duly elected messengers.

BROTHERHOOD

Report to the Association
1995

We are seeing more and more of our men and boys become interested in missions. "Do unto others as you would have them do unto you." Helping people in need seems to be a big concern among our men. Handyman ministries and garden ministries have been started. Call for more information about these home ministries. Several of our men attended the NC Baptist Men's Convention in Raleigh and were excited about getting involved in the prison ministries. A training session was held at our associational center for all workers involved in our Baptist Men's work. The RA's held a rally at McCotter Boulevard Baptist Church with all boys and men seeing who could eat the most hotdogs. Several of our men's groups have been involved in helping other churches with remodeling and additions to their church. One of our state disaster units was in the association for a week for show at the Chili Festival in Havelock, the Chrysanthemum Festival in New Bern, and also prepared a meal for the associational Annual Meeting at Parkview Baptist Church. Raymond and Anita Earp served in Haiti with a World Hunger Relief Program in December and are available to give reports to your church. The association is putting together a team to go to the Ukraine in May and September. Call the associational office at 447-4593 or 1-800-676-0270 if you are interested. Baptist Men are on the move, so get involved with the many different ministries.

Respectfully Submitted,
Mr. Raymond Earp

CHRISTIAN LIFE

Report to the Association
1995

During the working months of 1994-95, our Lord used our association to impact three areas of moral and social concern with the power of the Gospel of Jesus Christ. First, all our churches were encouraged at the local level to observe World Hunger Day on October 9. Our pastors were challenged simply to raise $1.00 per member for the cause, which would equal an associational offering of approximately $12,580.00. As the actual giving to World Hunger can be channeled in three directions, exact computation of our local contribution is unavailable, but word has it that several of our churches gave sacrificially.

Next, we held a dinner-seminar at our Associational Center with the Rev. Eric Raddatz, Executive Director of the Baptist AIDS Partnership of North Carolina (BAPNC). Rev. Raddatz brought startling statistics and testimonies to reinforce the need for AIDS ministry in our area is real, if not yet evident. His challenge to us was, "A Call to Compassion," an informative and Biblically based way to respond to AIDS sufferers and their families with the heart of Jesus Christ. A good cross section of our churches and the wider community attended the seminar, and Cove City Missionary Baptist Church hosted Rev. Raddatz for pulpit ministry in Sunday worship. Other churches are encouraged to contact BAPNC in Wake Forest. (919) 554-1965

Finally, we presented the seminar, "Help for Parents of Teenagers," at our Key Leadership Training in Havelock, on January 30, 1995. The primary purpose of the seminar was to equip churches to provide resources and support for the parents of teens, with an understanding of the unique stresses involved in those parenting years. The large turnout included parents, former parents, church youth workers, and youth ministers.

The Christian Life Director continues as associational liaison at both the Craven County Christian Coalition and New Bern's Citizens for Morality. Ongoing resources for future work include issues presented by the American Family Association, Focus on the Family, our own Southern Baptist Christian Life Commission, and our local concerns as they present themselves.

DIRECTOR OF MISSIONS

Report to the Association
1995

1994-95 is a very short associational year. It is a time the association is trying out its new Constitution. The Church Development Council is off and running. They planned an excellent leadership workshop conducted at First Baptist Church of Havelock. The results were tremendous!

The Missions Development Council and Administrative Council are in the process of formulating new goals and objectives for their responsible ministries.

Even though this has been a short year, a lot of exciting events have occurred. Over three hundred youth attended an associational youth lock in at Sports Center in Morehead City. This is the largest number of youth to ever attend an associational event. The youth are busy practicing for "The Extra Mile" musical to be presented at First Baptist Church

of Havelock on May 7. Also, the Spiritual Growth Conference at Parkview Baptist Church was exciting. The speakers did an outstanding job of presenting the Gospel in a challenging manner. The association was very fortunate to have Dr. Denton Lotz, Executive Director of the Baptist World Alliance, speak at our annual Baptist Women's Retreat at Atlantic Beach. Dr. Lotz certainly challenged every one to be on mission. The association continues to provide a wide variety of workshops including RA, Brotherhood, WMU, Deacon, AIDS, Secretarial, and so forth. The purpose of the Atlantic Baptist Association is to assist the churches to fulfill their mission that God has called them to. It is my hope and prayer each church may continue to fulfill the Great Commission in their neighborhood and beyond.

Rev. Keith Hamilton

DISCIPLESHIP TRAINING

Report to the Association
1995

This year brought a new Discipleship Training Director to the Atlantic Baptist Association. The Discipleship Training ministry of our association exists to assist churches in equipping its members in growing in Christlikeness.

The new format with quarterly associational training has allowed more opportunity for training church leaders in the area of discipleship. This medium as well as individual church consultation has been and will be used to introduce new and existing materials, and to train church leaders to effectively implement Discipleship Training ministries in their churches.

A number of products available to churches have been used this year with dramatic, life-changing success including: Fresh Encounter, which addresses the church body corporately and teaches God's pattern for revival and spiritual awakening, The Mind of Christ by T. W. Hunt, The Search for Significance, as well as the tremendously popular and powerful Experiencing God course. Several of these products as well as a complete set of equipping center modules are available to member churches through the associational library at the associational office. Please take advantage of these resources and the resource of your Discipleship Training Director to help your church grow in discipleship.

Rev. Larry Wright

EVANGELISM COMMITTEE
Report to the Association
1995

This year our association sponsored the third annual "Spiritual Growth Conference" on March 13-14, 1995, at Parkview Baptist Church in Morehead City, North Carolina. Our speakers included Dr. David Shannon, President of Allen University in Columbia, South Carolina, and well known evangelist, Dr. Jack Stanton, Director of the Institute of Evangelism, Southwest University, in Bolivar, Missouri. Our special music was shared by Mr. Michael Combs of Jacksonville, Florida, and Rev. Steve Lalk, Minister of Music at Parkview Baptist Church. Rev. John Thompson led our congregational music.

We are grateful for the prayer warriors who have been faithful to the associational Intercessory Prayer Ministry, but desire every church get involved in this ministry. Pastors, please make your people aware of this ministry, promote it, and you be involved, if possible. It is exciting to hear the results of answered prayer from this ministry as it is shared during our Wednesday night prayer service. If you are not involved in this ministry and would desire information, please call the associational office or a member of the Evangelism Committee.

The Evangelism Committee encourages each church to have a revival effort at least annually.

Thank you pastors, prayer warriors, and churches of the Atlantic Baptist Association for your support of the Evangelism Committee. We are open to any suggestions you may have in order to promote the Gospel of our Lord and Savior Jesus Christ. As chairman of the Evangelism Committee, I must express my deepest appreciation for our Director of Missions, Rev. Keith Hamilton, and our associational secretary, Kim Pittman. They have made the carrying out of my responsibilities a real joy. We are indeed blessed to have such an associational staff in the Atlantic Baptist Association.

Respectfully Submitted,
Rev. Jerry Smith

EXECUTIVE COMMITTEE
Report to the Association
1995

January 30, 1995: Dr. Gary McCollough, presiding.

Over two hundred messengers and guests attended the Executive Committee Meeting and Key Leadership Training event. Fourteen conferences were held during the training conference. The Church Development Council did an outstanding job of developing the workshops slated. Executive Committee action included adoption of the Treasurer's report by Mr. Max Miller and discussion of the new 1995-96 associational budget. The Order of Business Committee presented a motion and accepted that the Annual Meeting of Atlantic Baptist Association would be April 27 at First Baptist Church, New Bern. Rev. Alan Beane, Chairman of the Missions Development Committee, made a motion that the Executive Committee approve the following Cooperative Agreements to the Baptist State Convention of North Carolina: Church Growth Assistance for First Baptist Church of Broad Creek, Emerald Isle Baptist Church, Island Road Baptist Church, New Work at Brice's Creek, Spanish Baptist Church and Korean Baptist Church. Also approved were

Cooperative Agreements for support of bi-vocational ministers, Seminary Extension courses, and establishment of a Christian Counseling Center.

HISTORIAN

Report to the Association
1995

In these short few months history has been made. One of the most significant things was the resignation of Sumiko Sidelinger, Director of Japanese Ministries. Only eternity will reveal the impact of her life and ministry on the history of Atlantic Baptist Association.

Since our Association began, many ways have been tried to enlist people in Sunday School and to increase attendance. Dr. Philip Hall, pastor, used an ingenious way to challenge his people at National Avenue Baptist Church. He promised a lunch to every member who missed no more than two Sundays last year. Twenty five claimed his promise and were treated at lunch at the Sheraton on a Sunday in October.

Several of our churches are having anniversaries, from some of the youngest to some of the oldest. Colony Baptist Church observed her twentieth anniversary, October 9, 1994. Bayboro Missionary Baptist Church celebrated her one hundred twentieth and Trenton Missionary Baptist Church celebrated her one hundred twenty fifth. Tabernacle Baptist Church and Spring Garden Baptist Church is preparing for a year long emphasis of their Centennial Celebration.

The new Education Building at Bayboro was dedicated in October. Bogue Banks Baptist Church completed an elevator project in November. The beautiful and spacious Family Life Center at Morehead City, First, was dedicated Sunday afternoon, February 12, 1995.

Music has long played a part in our worship. Tabernacle Baptist Church had a "first," with the Adult Sanctuary Choir's "The Singing Christmas Tree," December 17-18, 1994. The Joy Choir at Tabernacle Baptist Church sang in the state-wide festival in Fayetteville. The members at First Baptist Church, New Bern, prepared a six-week devotional Book of Christmas Messages.

The first Henry A. Privette Memorial Scholarship was awarded to Rev. Leon Meadows to assist him in preparation for the ministry in higher education. Leon was recently ordained to the Gospel Ministry at Reece's Chapel for service at Riverview Baptist Church, Beaufort, SC.

Spring Garden's WMU, Mission Friends, and GA's received Distinguished Service Recognition Awards for 1993-1994 from the Baptist State Convention.

A "Thursday at Twelve," Bible Study is held in the Family Life Center at First Baptist Church, New Bern. It is led by the ministers of the downtown churches. This church has made available several Auditory Assistance Units for the hearing impaired to use during the worship services.

Spiritual renewal, evangelism, and missions are always high on the list. First Baptist Church, Morehead City, observed a Day of Prayer for First Baptist Church and her ministries on November 19. First Baptist Church, Oriental, completed an eight week Bible study for Mexican residents in the community. There was an Atlantic Baptist Association Spiritual Growth Conference on March 13-14 at Parkview Baptist Church. The Rev. Doug Millar, Minister of Youth and Education, at Tabernacle Baptist Church went on a mission trip to East Africa in January.

Thirteen of our churches sent evangelistic teams to the Frontier Baptist Association in Buffalo, New York, April 2-6, 1995.

How time has flown and we are grateful that we have been able to redeem some of it in service for the Master.

Respectfully Submitted,
Miss Jane Marshall Jenkins

MISSIONS DEVELOPMENT COMMITTEE

Report to the Association
1995

It is truly an exciting time to do missions in the Atlantic Baptist Association as we move from a committee format to a Missions Development Council. In this time of change we desire your prayers and support as we all will be learning together. In the next few paragraphs I would like to give a brief overview of the council and also some the mission projects we are working on.

First, there will be a Missions Development Director who will be joined with a Missions Survey Director and Promotion Director. Also on the council will be a representative from the WMU and Brotherhood. Making up the missions efforts of the council will be a number of Component Programs as follows: New Works, Senior Adults, Resort Work, Seaman Center, Crisis Pregnancy Center, Chaplaincy Coordinator, Military Missions, and a Missions Team Coordinator. These Component Programs will be made up of as many people needed to get the work done.

With the departure of Mrs. Sumiko Sidelinger, the Japanese Ministry is now coordinated by First Baptist Church, Havelock, and is progressing along rather well.

The resort work is now making plans for another big summer with mission groups coming from many different areas to do missions. This continues under the direction of Dr. Curt Finch. Look for a time when you might meet some of these folks or maybe take part in the work with a group from your church.

We have also seen a dream become reality with the creation of a Disaster Recovery and Handyman Trailer. This will be available not only for disasters, but if your church has a work project in your community. We hope you will utilize this equipment. It will be outfitted with two generators, as well as a number of construction related tools. The trailer will be based at Calvary Baptist Church. The cost of $3,400 to purchase the trailer will come out of state missions funds. If you would like to help or have need of this ministry, contact Mr. Raymond Earp at (919) 728-3070.

The Missions Development Committee is presenting a recommendation that the association employ Dr. Myrle Swicegood of First Baptist Church, Havelock, as our Family Life Ministries Coordinator. Enclosed you will find the job description for this position. Dr. Swicegood received her Ph.D. in Family Relations and Child Development from the University of North Carolina at Greensboro. She is also a former professor at Clemson University. Her professional affiliations include the National Association of Couples for Marriage Enrichment, the National Council of Family Relations, and the Home Economics Association. As important as these credentials is the fact that Dr. Swicegood is a very active member of First Baptist Church of Havelock. She is committed to helping ministers and Christians seek the best advice available in counseling.

This is just a few of the mission opportunities available for you to take part in. My request to you is **"Get Involved!"** Thank you for your support and continue to do missions where ever you are.

FAMILY LIFE MINISTRIES COORDINATOR JOB DESCRIPTION

In response to the call of God, as we believe, to do what we can to support and strengthen families, the Atlantic Baptist Association has created the position "Family Life Ministries Coordinator."

To utilize the expertise and resources of the person filling this position to best advantage, the primary responsibilities of the Family Life Ministries Coordinator are (a) to enhance healthy human relationships within families, between families and the church, between families and the schools, and - in the case of military families - between families and the military; and (b) to inform, equip, and enable ministers within the Association to effectively carry out family-related ministries - all from a uniquely Christian perspective.

Specifically, the Family Life Ministries Coordinator will discharge the following duties:

A. Lead support groups for ministers and/or their families.

B. Provide professional consultation to ministers in the Association.

C. Conduct Association-wide, need-based workshops and retreats.

D. Compile a booklet of family-related resources for associational ministers.

This booklet, once developed, will imply no blanket endorsements by the Coordinator or Association, serving instead as a resource guide to ministers from which they may pick and choose.

E. Contact area professionals in order to develop a referral list for associational ministers.

From this list, once developed, neither the Coordinator nor Association recommends anyone.

When asked, the Coordinator will provide additional information and offer informed opinions

F. Use existing channels of communication and, as time allows, create new ones for supporting and strengthening families.

FAMILY LIFE MINISTRIES COORDINATOR TERMS OF EMPLOYMENT

1. The Family Life Ministries Coordinator will work under the direct supervision of the Director of Missions and the indirect supervision of the Personnel Committee.

2. Written reports will be submitted to the Director of Missions monthly.

3. The work of the Family Life Ministries Coordinator will be reviewed and evaluated every six months.

4. A confidential answering service, housed in the Associational Center, will be provided for the Family Life Ministries Coordinator.

Using the answering service (and in lieu of specified office hours), the Family Life Ministries Coordinator will normally follow up messages within one week.

5. The hours the Family Life Ministries Coordinator devotes to the job in a given year will average one day per week, supplemented by time given to conducting support groups.

6 The budget for Family Life Ministries will be as follows:

Professional Reimbursements	$ 4,425.00
Family Life Ministry Grants	7,075.00
TOTAL	$11,500.00

Family Life Ministry grants will be disbursed at the discretion of the Coordinator in consultation with the Director of Missions.

MUSIC

Report to the Association
1995

I suppose everyone has just finished with their Easter programs. It takes a lot of work to prepare the Christmas and Easter programs along with special music for every Sunday (in most churches morning and night). Now that the summer is coming...please don't say: We can slow down! Summer is a time of excitement! You can have "music day camps," spend "extra" time with people who want to sing a solo, have a "special" picnic for your choirs...and on and on. Let your imagination go wild...let your music people know that you really care about them.

The "ASSOCIATIONAL YOUTH CHOIR" will be presenting a very special program on the first Sunday night in May at the First Baptist Church of Havelock. Let's pack the sanctuary as we did last year. Let the youth of the association know that you care about them. If you don't have a "youth choir" in your church...try to get one started this coming year. You don't have to have a great big crowd. Six to ten will make a great ensemble. They don't have to be the best singers in the world either...if they are willing to take time to share with others for the Lord...let them do it.

There is a lot of "hidden talent" in your church in the senior adult department. Let them have a choir of their own so they can share. If you need help getting one started...give me a call. I'll try to work the time into my schedule. More and more music is being written for them. Don't always pick something easy...remember...they probably know more than the average person. Give them a challenge.

Musically Yours,
Rev. John Thompson

ORDINATION COMMITTEE

Report to the Association

1995

On November 28, 1994, at 10:00 AM, the committee met by request of Reece's Chapel Baptist Church, to examine Mr. Johnny Skinner for the Gospel Ministry. Mr. Skinner shared with the committee his personal testimony and then was asked questions pertaining to his call to the ministry, doctrine, family, ministry training, and Baptist polity. After discussion, this committee gave unanimous approval to recommend Reece's Chapel proceed with their intentions for ordination.

Also, on November 28, 1994, at 11:00 AM, the committee met by request of South Creek Missionary Baptist Church to examine Mr. Mike Fisher for the Gospel Ministry. Mr. Fisher shared with the committee his personal testimony which included information on his call to the ministry, his family, and Christian upbringing. Questions were asked pertaining to his doctrine and ministry training. After discussion, this committee gave unanimous approval to recommend that South Creek Missionary Baptist Church proceed with their intentions for ordination.

RESORT MINISTRY

Report to the Association

1995

As of March 15, we have six ministry teams lined up to serve in our area this summer. These teams will conduct Bible Clubs in campgrounds and present ministry programs in the evenings at places where many tourists gather. The visiting ministry teams stay with us for a week and pay all their own expenses. As coordinator for the summer mission teams, I line up the places they work and guide them in how best to reach people. The goal of our resort ministry is to share the Good News of Jesus Christ with people in the resort setting.

Respectfully Submitted,
Dr. Curt Finch

SECRETARIES' CONFERENCE

Report to the Association

1995

The Atlantic Baptist Association of Church Secretaries meet once a quarter, (the first month, second Thursday), to share ideas and encourage one another. As church secretaries, we see our positions as a ministry.

Officers now serving are:

President, Patsy Deese
Vice President, Sue Cline
Historian, Gail Edge

Our January meeting was centered around community outreach. Special guests for this meeting were Mrs. Minnie Harrell from the Salvation Army and Mrs. Cathy Anderson, First Baptist Church, Beaufort. Cathy did an outstanding job sharing information about AIDS. Mrs. Harrell shared information about the work of the Salvation Army and how we can help them. Our secretaries were given training to help them reach out to a hurting community and resources available.

Due to the implementation of the Church Development Council of the Atlantic Baptist Association, a Winter Key Leadership Training Conference was held on January 30, 1995, at First Baptist Church, Havelock. President Deese led a workshop, "Finally, Help for the Volunteer and Part Time Secretary."

We would like to take this opportunity to thank each pastor and the church families for allowing us this special time of fellowship with other church secretaries. If your secretary is not part of our secretaries' organization, we encourage you to prayerfully consider allowing her to join us.

Respectfully Submitted,
Mrs. Patsy Deese

SEMINARY EXTENSION

Report to the Association
1995

The Seminary Extension Department of the Southern Baptist Convention offers more than 70 courses that can be taken either for college credit or noncollege credit. These courses are divided into three major study areas: Biblical Studies, Theological-Historical Studies, and Ministry Studies. Among courses offered under Ministry Studies is "Ministry with Military Personnel," which - because the Cherry Point Marine Corps Air Station is located in our Association - may hold some local interest.

This past year your chairman ordered and distributed copies of the latest Seminary Extension catalog to all churches holding membership in the Association.

In addition, individual consultations were held in which information about Seminary Extension courses was shared.

Looking to the future, please let the Director of Missions or me know what courses you would like to see taught at the Associational Center. Also, consider offering Seminary Extension classes through your local church.

Respectfully Submitted,
Dr. Don Hadley

SENIOR ADULT MINISTRIES

Report to the Association
1995

1994-1995 was a year of excitement and happenings for Senior Adults within the Association. For the first time ever, we now have a Senior Adult Ministry.

The mission of Senior Adult Ministries has been re-defined and the challenge is now before us.

"The basic purpose and intent of Senior Adult Ministries of the Atlantic Baptist Association is to challenge and assist member churches to meet the needs and interests of older persons; to encourage and assist these persons to continue to develop and use their skills and gifts to the glory of God; to promote opportunities for fellowship and training for Senior Adults and Senior leaders; to provide the ways and means for coordination of planning of work with Senior Adults; and to insure that all Seniors may experience the abundant life promised by our Lord, (John 10:10b); "I am come that they might have life, and that they might have it more abundantly.," and a life with dignity and meaning in relation to others.

Exciting happenings for Seniors have been: Senior Adult newsletters, key leadership training, fall and spring Senior Adult Rallies, a new and increased emphasis on Senior ministries.

A great year for Seniors to be involved in ministries with seniors. Expect greater things in 1995-1996.

The Association is your "helping hand" with Senior Adult Ministries.

Respectfully Submitted,
Rev. Ira Jones

STEWARDSHIP

Report to the Association
1995

"It takes money to make money," is a phrase that has been around for a while. But the principle is still true today in all things. Another phrase, "It takes a little water to prime the pump," is equally true.

In order to generate a successful missionary organization such as we have in the Atlantic Baptist Association, it continues to take physical, spiritual, and financial effort on the part of all our churches.

My field is the financial effort. I want to commend as well as encourage our churches to keep on the growth track of support for our mission work. This past year we had a Money Management workshop with Dr. Lee Davis to help us channel the Lord's resources in the right direction. We hope to have other training events this year as well. Thank you for your support.

Respectfully Submitted,
Rev. Terry McInnis

SUNDAY SCHOOL
Report to the Association
1995

We are midway through the final year of the Great Commission Breakthrough focus in Sunday School. "Witness to Win" is our year-long theme. Already we have seen a renewed excitement in our association about strengthening our congregations and reaching the unchurched. Over 200 people were involved in our first quarterly training seminars. With our churches seeking multiple creative ways to minister to people, Sunday School is still the leading force in bringing individuals to a saving knowledge of Jesus Christ.

With the coming of the fall months, a new theme will be introduced to guide our members into the 21st century. "Carry the Light" is a fitting title for the work God has given us as we move into the future. In 1995-96, the emphasis will be upon "Living God's Word." More information concerning this concept will be shared throughout the year.

The Associational Sunday School Improvement Support team (ASSISTeam) is available to help as needed. Work is progressing to complete the team membership. A fall conference for our association to be led by ASSIST members is being planned which will allow more training time than is possible at the quarterly seminars.

Every church is urged to be involved in a continuous program of Bible study evaluation, planning, and implementation. The Sunday School has the multiple tasks of reaching and teaching people, witnessing, and ministering to people, and leading people to worship and be involved in fellowship with other Christians and seekers. God will surely bless our efforts as we give Him our best.

Rev. Tom Lamkin

TACMO
Report to the Association
1995

Media centers are cared for by loving people who offer services and skills as their gifts to God. Our prayer is that God may use these gifts to bless and help our churches and their people.

TACMO met in October, 1994, at the associational office. We shared ways in which we have used media. Interlibrary loans are excellent for sharing limited materials. The placing of small book or video collections in Sunday School departments brings user and materials together.

In January 1995, Mrs. Gail Edge from Temple Baptist Church taught a course in processing. Good processing means easily located materials.

Libraries can be very quiet places. If we do not gain the attention of our users, we may not have any. Therefore, in April 1995, TACMO will focus on MOTIVATION and PROMOTION. During the year ahead we hope to do "hands on" help for new libraries or those with problems.

Respectfully Submitted,
Mrs. Evelyn Bryden

VACATION BIBLE SCHOOL
Report to the Association
1995

Vacation Bible School planning is in full swing throughout the association. The theme for VBS 1995 is "Windows on the World" which focuses on the need to discover a world of opportunity right outside your window.

Your associational VBS team consists of eight members who have attended the state VBS training clinic in Greenville, February 27. They have returned with fresh ideas and an eagerness to share their enthusiasm with the association. The associational VBS clinics will be held April 22, 9:00 AM - 12:00 noon, at McCotter Boulevard Baptist Church, and May 15, 7:00 PM - 9:00 PM, at Tabernacle Baptist Church. Please make plans to attend one of these training sessions.

VBS materials can be purchased at the associational office at a discount. Please feel free to come by and browse through the materials.

VBS continues to be a valuable tool in reaching the community for Christ. Jesus said, "Suffer the little ones to come unto me and forbid them not..." Through your efforts in VBS, you are opening a window of opportunity through which a child, a parent, someone, can begin to see Christ.

Mrs. Debbie Harris

WOMAN'S MISSIONARY UNION
Report to the Association
1995

In the year 1995-96, major changes will be made in the way WMU does missions. This change is the first in thirty years. I hope that our women will be receptive to these changes and that the changes will benefit our churches and missions.

Finding leaders in our churches and association has become very difficult. At the present time we need a Girls in Action (GA) leader and a Mission Friends leader for the association. Our other organizations are led by very capable women.

In November, 1994, our WMU led the churches in collecting shampoo for North Carolina Women's Correctional Facility. The response was very good with most churches helping.

In January, the Annual Beach Retreat was held at the Sheraton at Atlantic Beach. Our speaker was Dr. Denton Lotz, Executive Director of the Baptist World Alliance. Those attending, over one hundred, were blessed to hear of his mission experiences in the many countries of the world. This weekend in January is always meaningful. Mrs. Cindy Huffman does an excellent job of planning this event.

The response to missions requests in the associational newsletter has been good. Our Baptist Women are willing to help whenever and wherever there is need.

Respectfully Submitted,
Mrs. Mary Lou Harrell

YOUTH

Report to the Association
1995

Our youth have kicked this year's marathon of events off with a bang. At the starting line, there was a movie night at Colony Baptist Church in New Bern on October 21. We pressed on to Camp Bonner Boy Scout Camp on November 4, with such events as climbing and repelling from a tower, singing around the campfire, and good fellowship. Our next leg of the marathon led us to The Ice House in Cary, North Carolina, on December 10. With our second wind kicking in, we began "The Extra Mile." Rehearsals for this year's youth musical began in January and we are scheduled to perform on May 7. Taking a water break, we stopped off at the Sports Center in Morehead City for a lock in on January 27-28 with over 300 youth attending. Rev. Bruce Caldwell spoke to the youth and several personal decisions were made.

Moving to the "trickiest" part of our race, we were entertained by Christian Illusionist, William Stogner, at New Bern High School on March 4.

Heading down the final stretch, Temple Baptist Church held a youth rally led by the BSU from Georgetown College on March 24.

Still ahead at the finish line, is our summer youth camp at Campbell University on July 10-14.

Respectfully Submitted,
Mr. Jerry Cullum
